Dugg,  
You're a very sweet  
person with a wonderful

but I have really enjoyed  
knowing you. I wish you  
all the luck in the future &  
maybe I'll get to see you  
next fall at O.S.U.

Suzy

This has been a real fun year!  
I'm telling you - between  
B.J. and Edna K. - I'll never  
forget us and M.D. - and you  
and George and me - studying  
till the "midnight" hour for  
Edna K's tests. - And sewing -  
we're going to have a lot of fun  
sewing this summer. And then  
there is art - well - !!!  
I can't wait till you go to work  
at Tiger with me - we'll really  
have a blast! Don't forget - one  
week we go out in your car next week  
in mine! Unless the unforeseeable -  
"a boy" comes along. - Stay sweet -  
good luck with your  
teeth!

## Spirit . . .

Spirit is defined as enthusiastic loyalty; it can hearten, encourage or inspire . . . the Pioneer spirit was born again for the 1967 class . . . pride was contagious . . . the symbol of the Pioneers, the prairie schooner, occupied a vital role in Pioneer spirit . . . football was something else, especially Central . . . the cheerleaders said pep was higher this year . . .

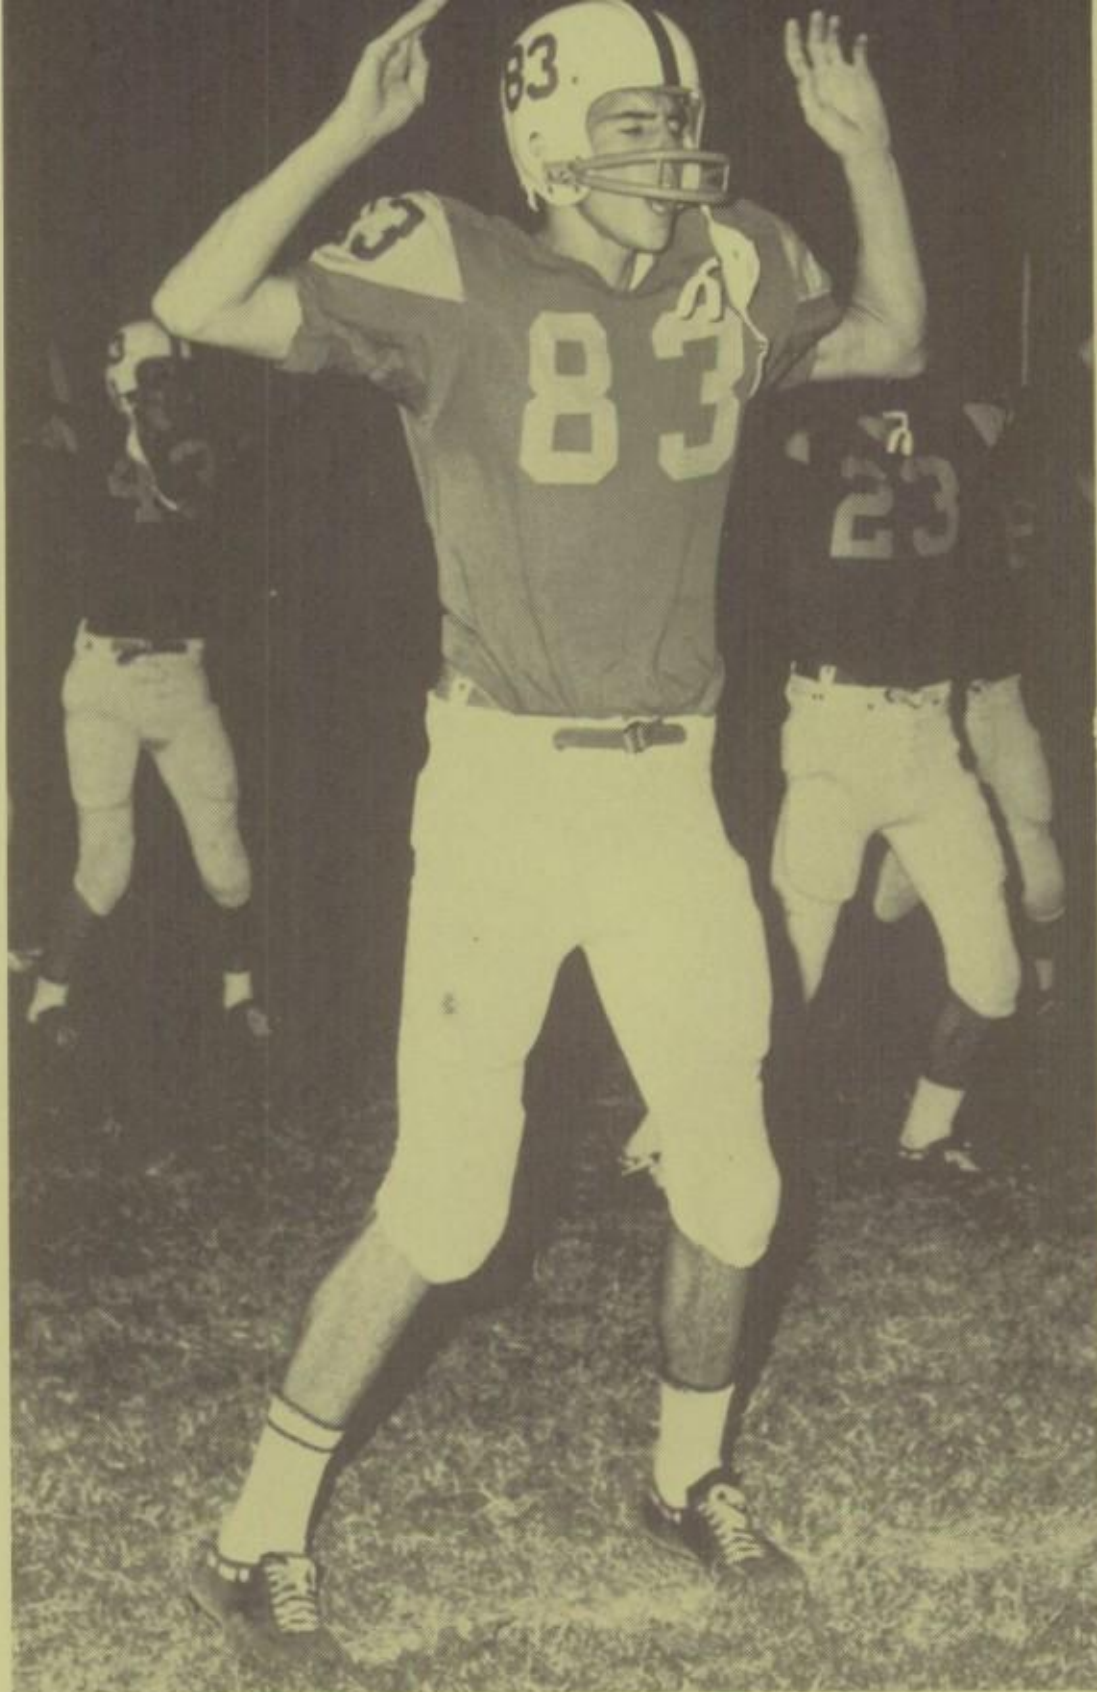

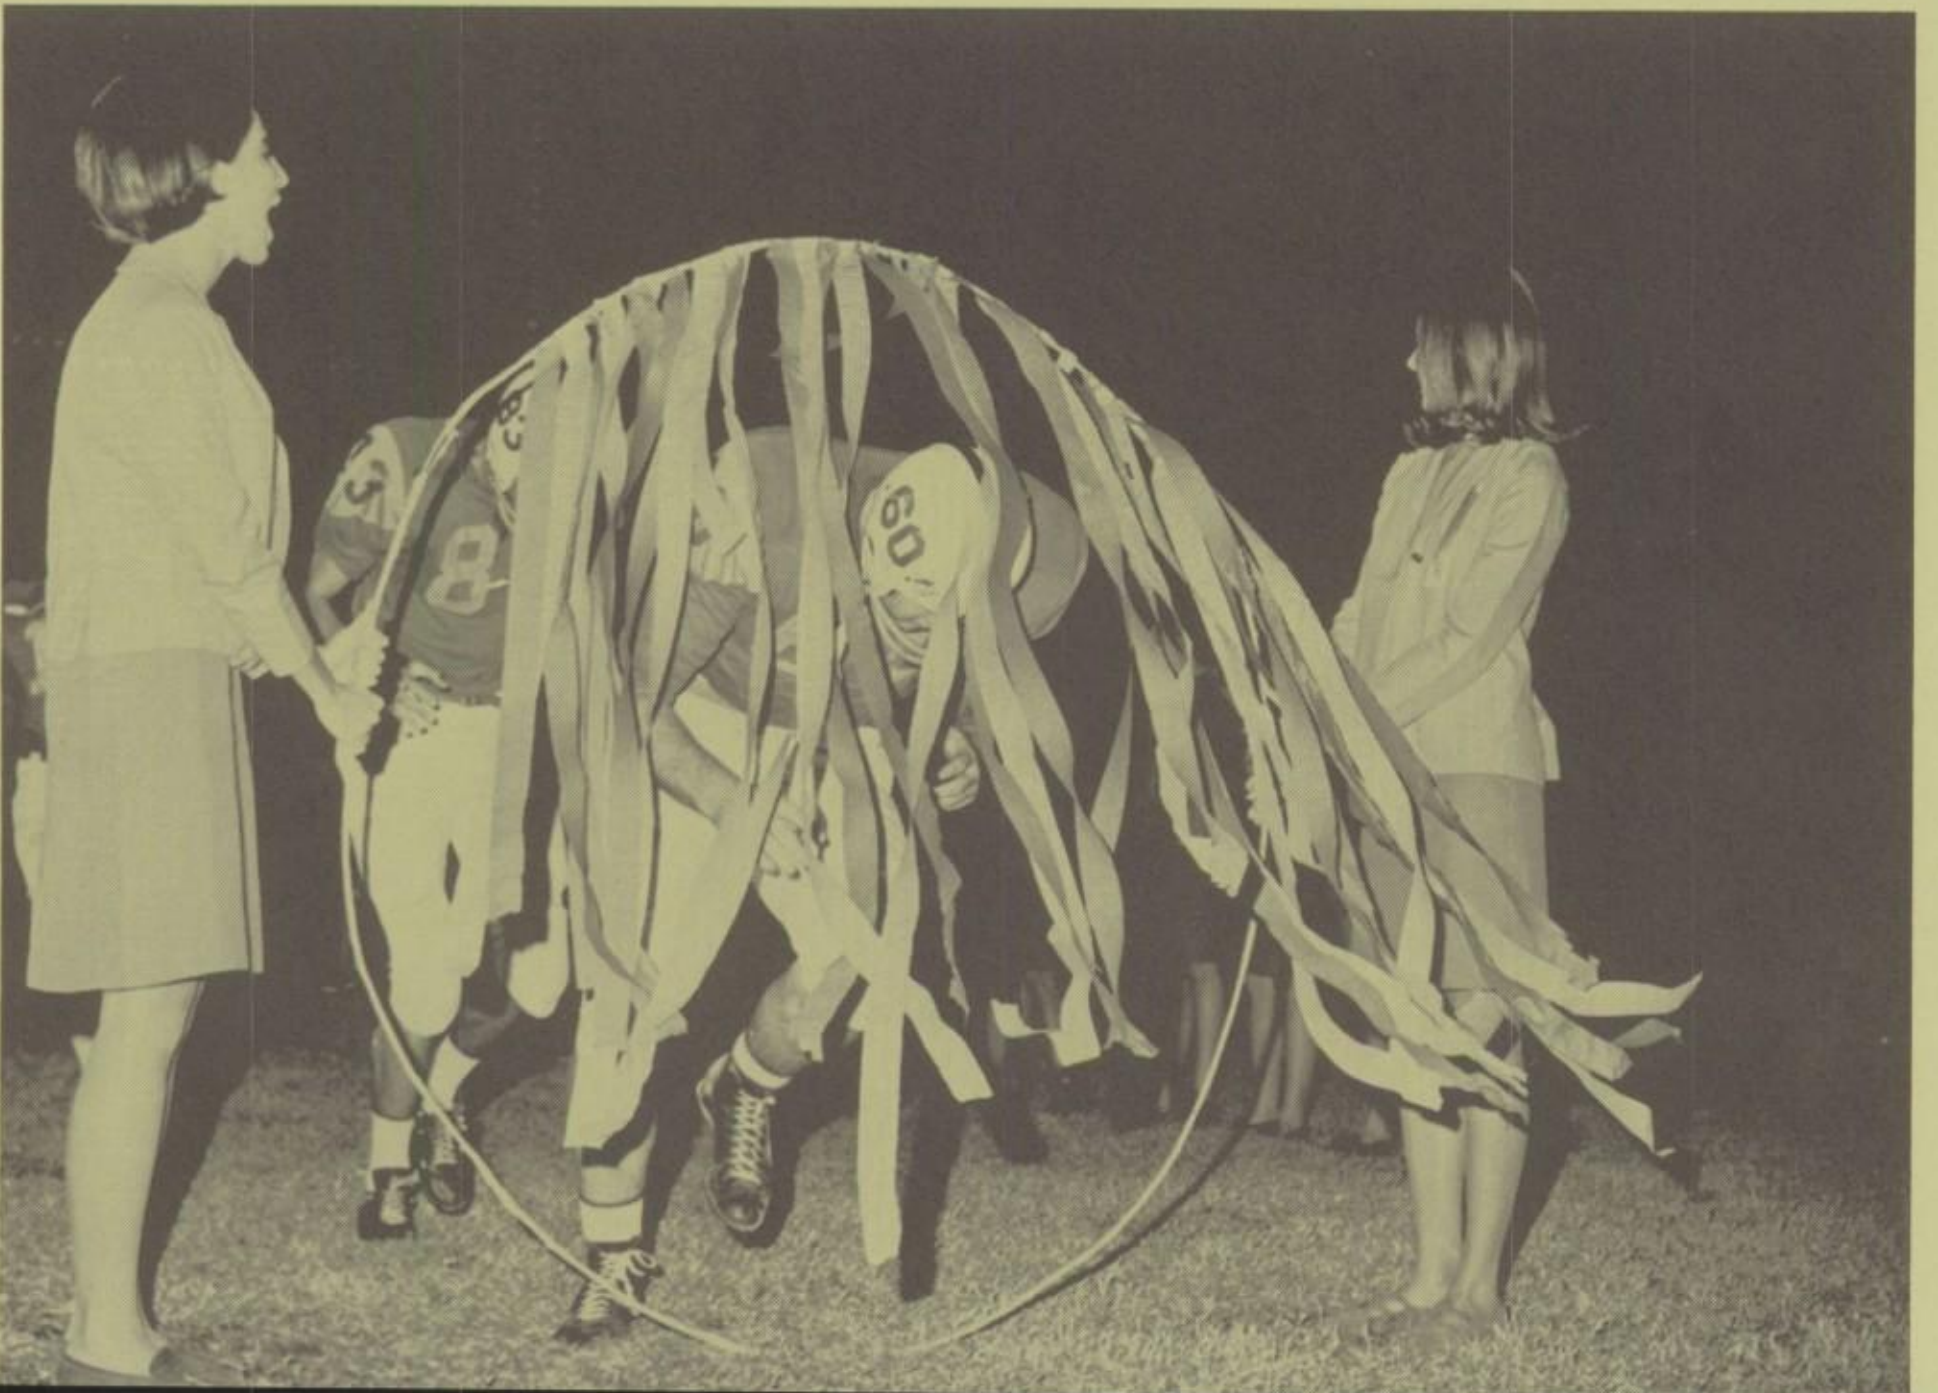

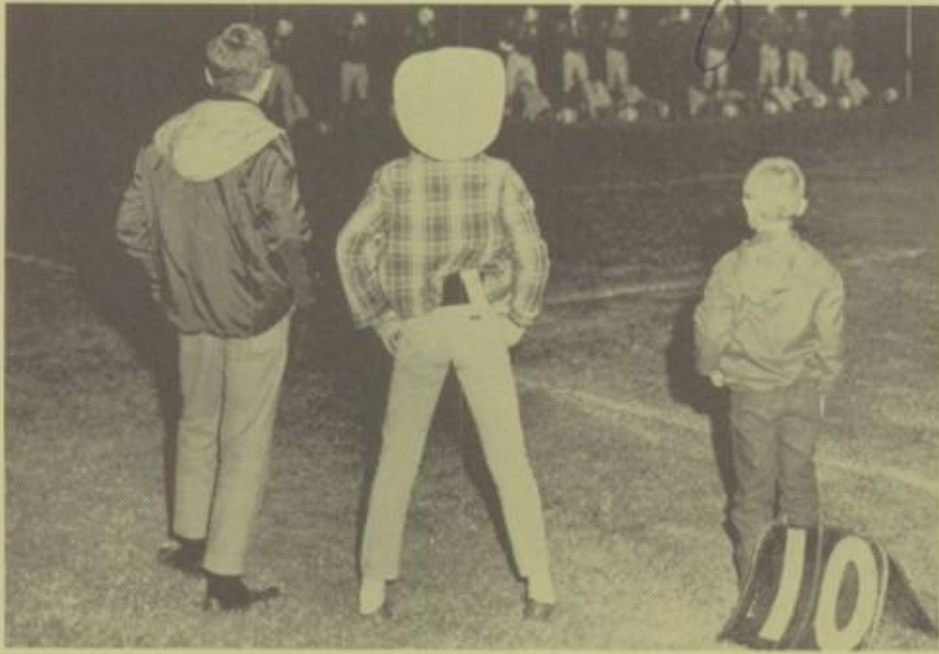

Pep Club decorated at all hours . . . our Pioneer spirit battled everything, even the Oklahoma weather . . . Ride 'Em Cowboys was as popular as Bronze and Blue . . . there were sad moments when spirit failed to win the games . . . 1st and 10, let's do it again . . . This was our spirit and it kept enthusiasm high this year at SHS.

## People . . .

Groups of students together . . . the Pioneers are people who worked together and played together . . . committees, clubs and classes showed the school we cared . . . Pep Club got new uniforms . . . Vice President Hubert Humphrey surprised us with a visit . . . the students worked as one . . .

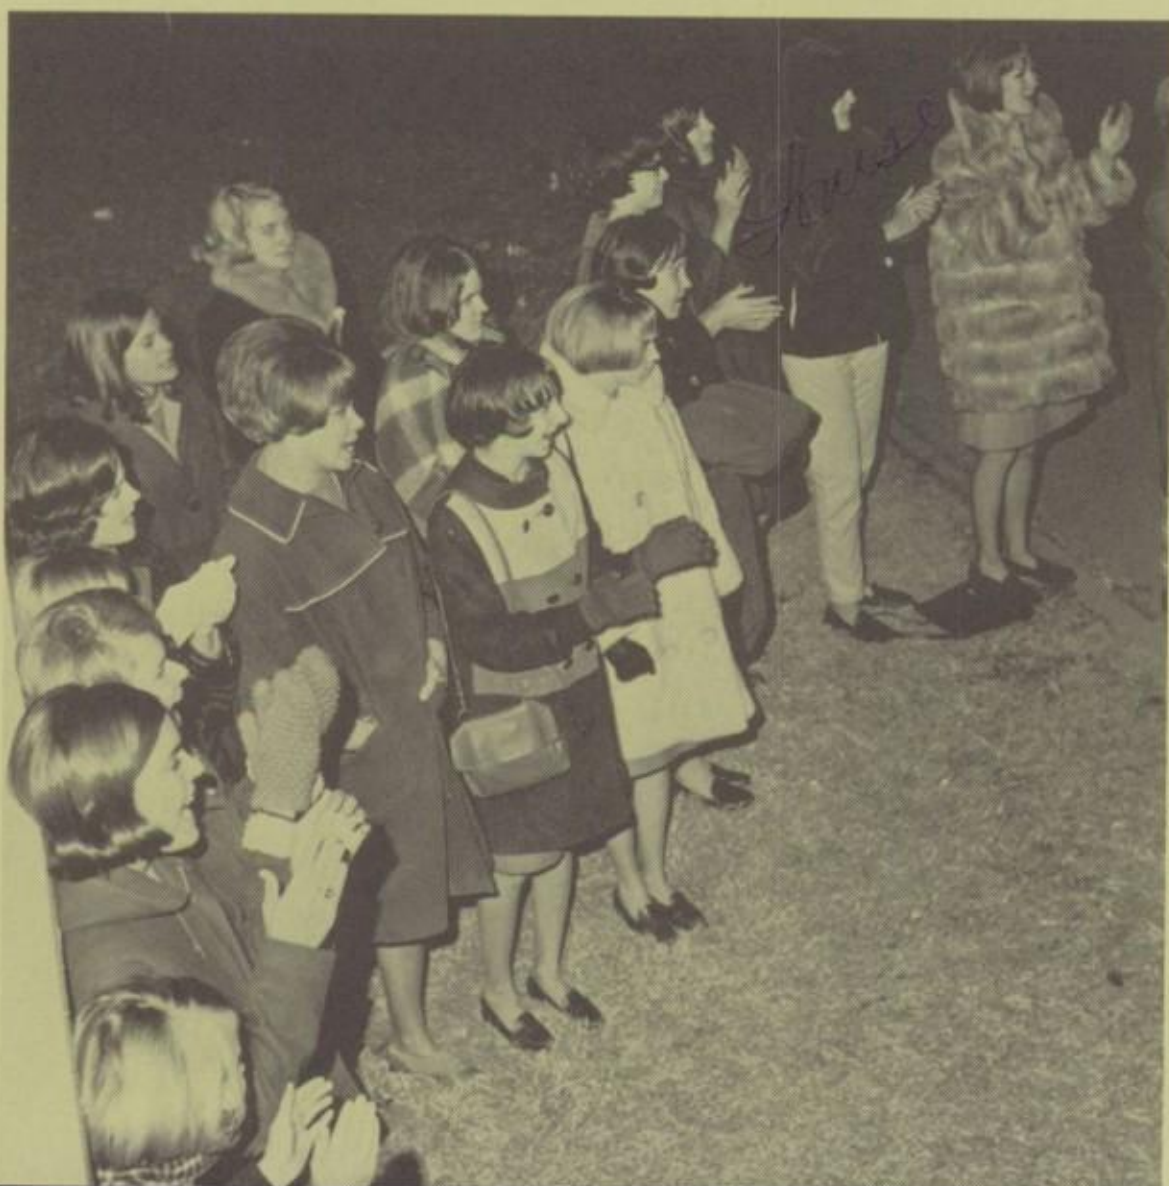

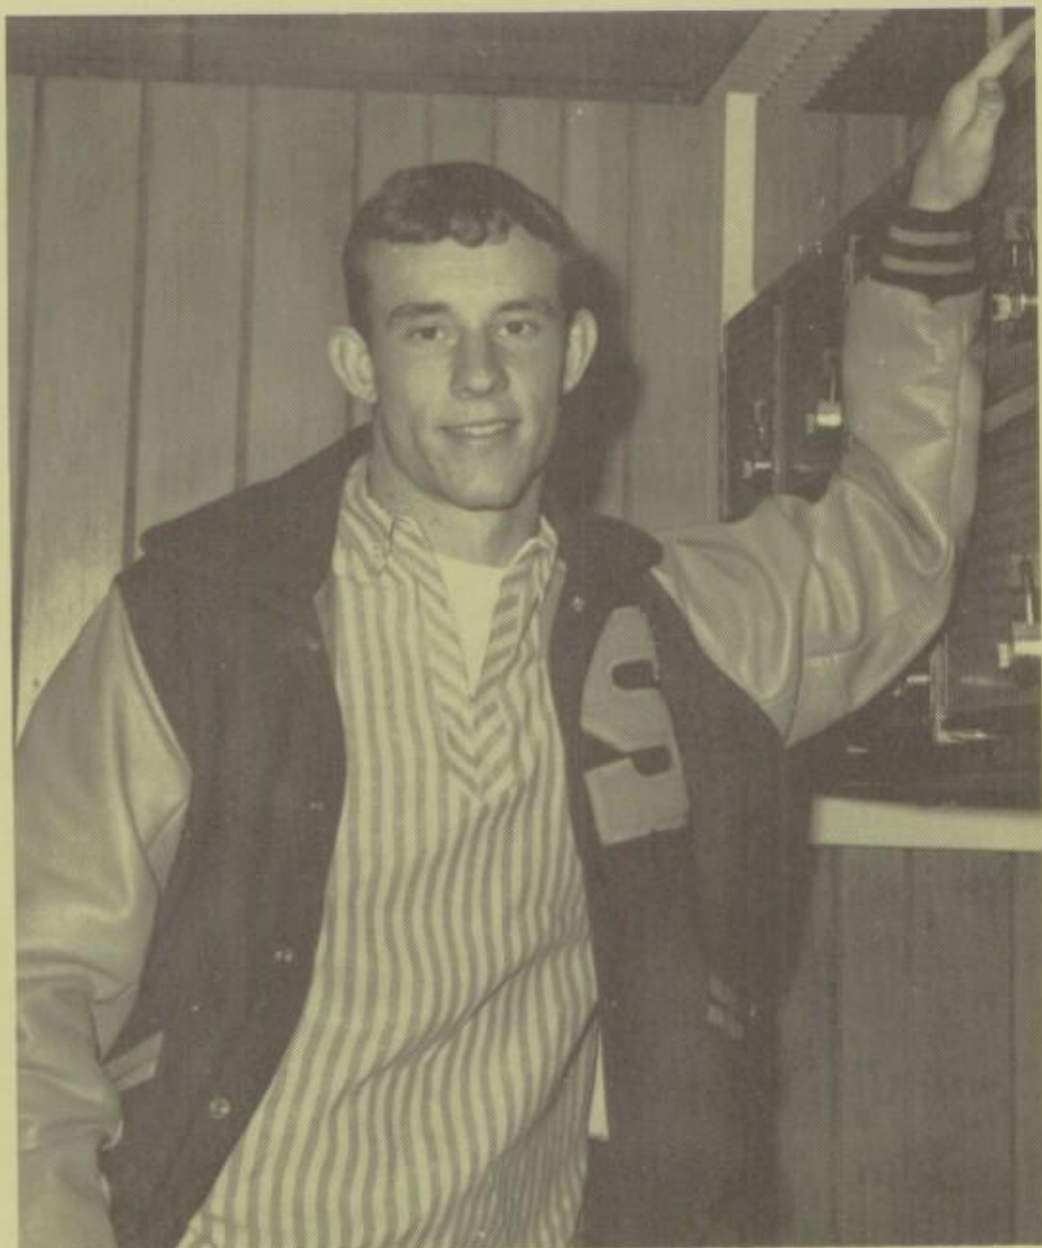

Even teachers have to rest occasionally . . . we worked for a successful year in athletics and academics . . . every club had projects to begin and to complete . . . the halls were where everyone said hi . . . friends together . . . these are the people who make up C. E. Donart . . . these people are C. E. Donart . . .

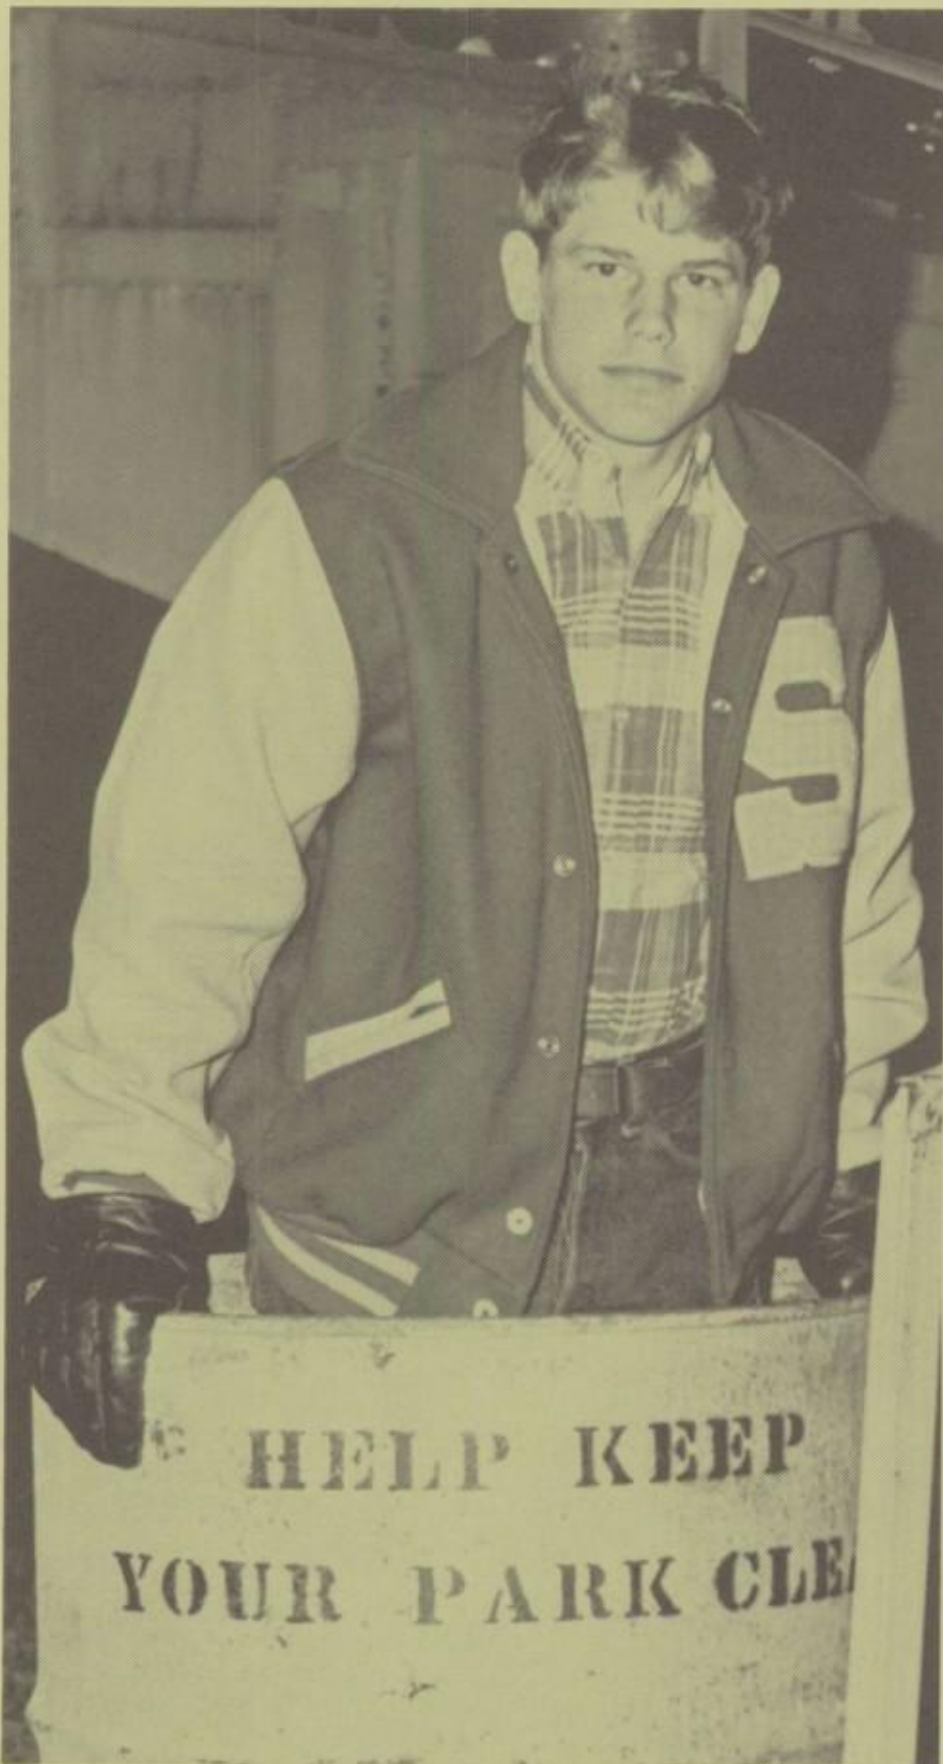

## Faces . . .

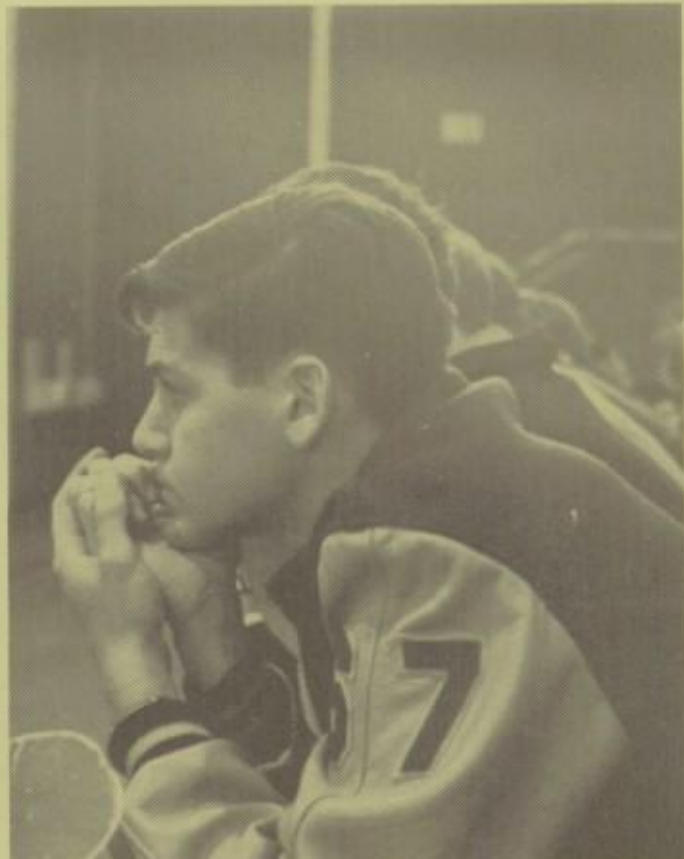

Faces of the Pioneers reflected joy, strain, and disappointment . . . many moods were shown in the Pioneer's faces . . . we kept smiling, win or lose . . . the play won first at Durant . . . our coaches tried not to disappoint the fans . . .

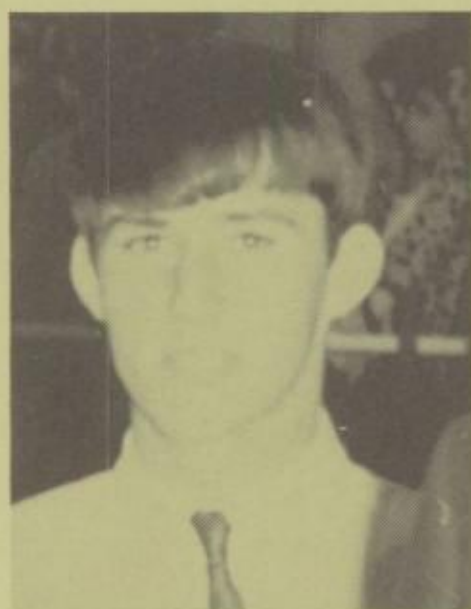

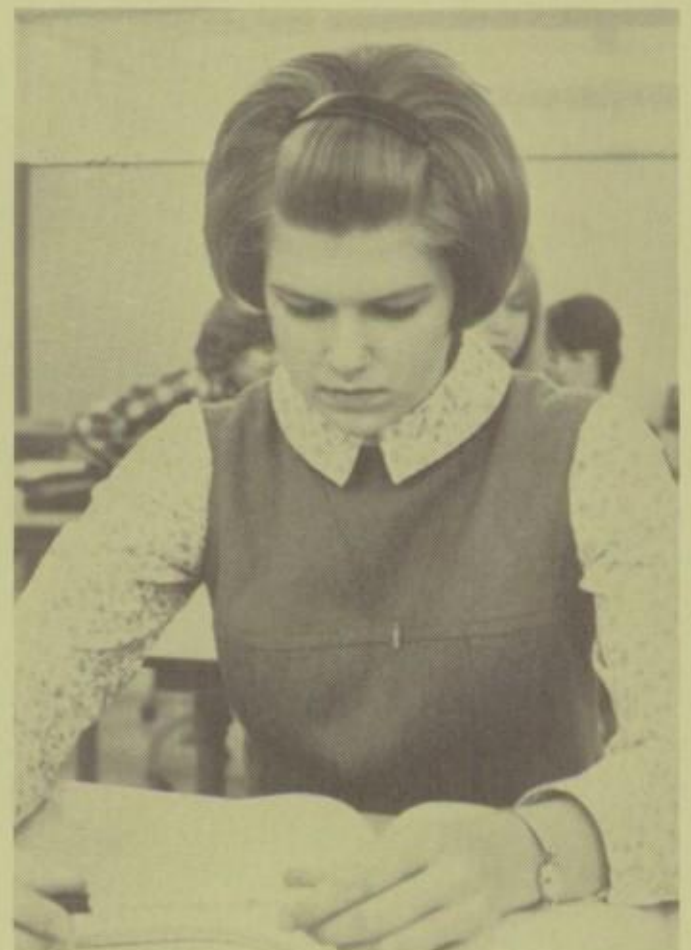

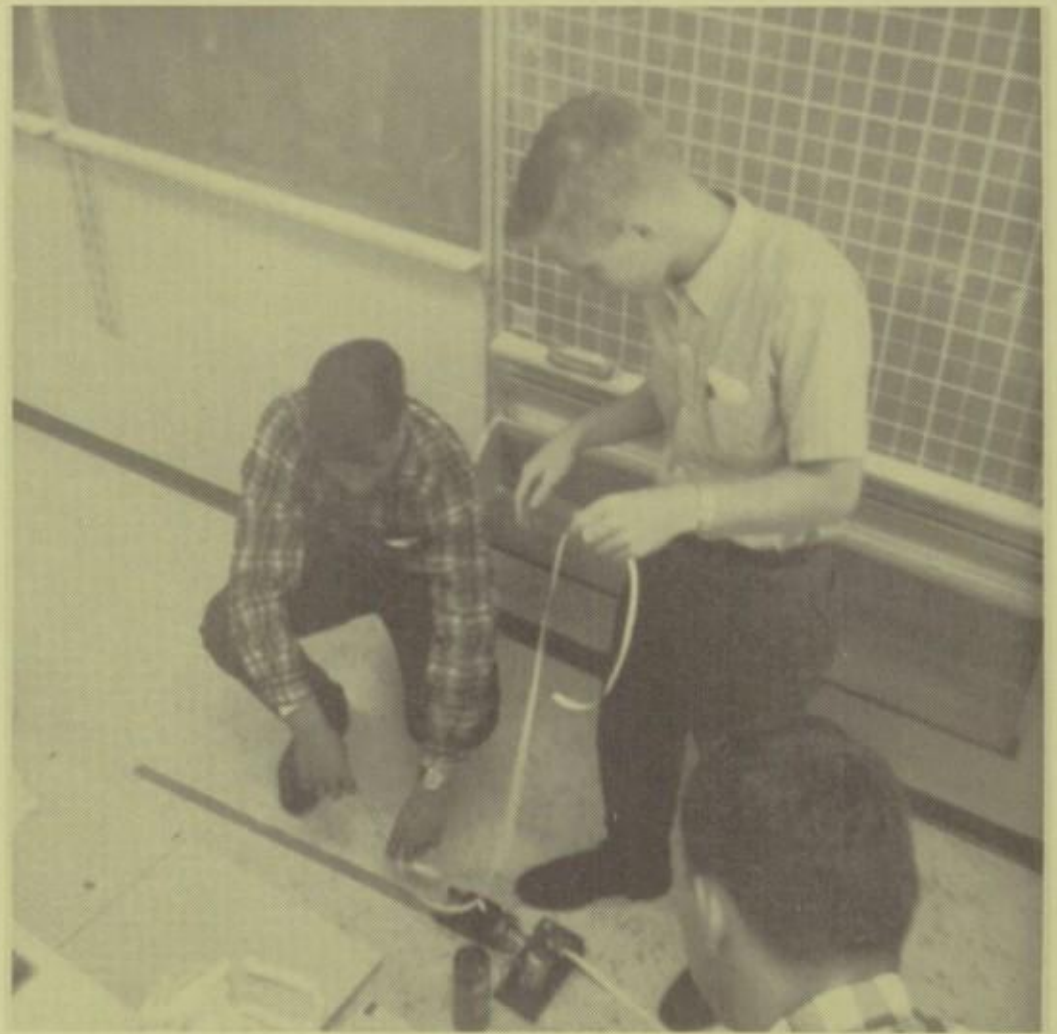

**M**rs. and Mrs. Sanders enjoyed the Frolic as much as the students . . . for one to win, another must lose . . . the relaxed look of a Senior, many of them didn't care anymore . . . the 'sophs' were always up to something . . . students strived to look their best for school . . . the Pioneer's faces showed their every mood and feeling . . .

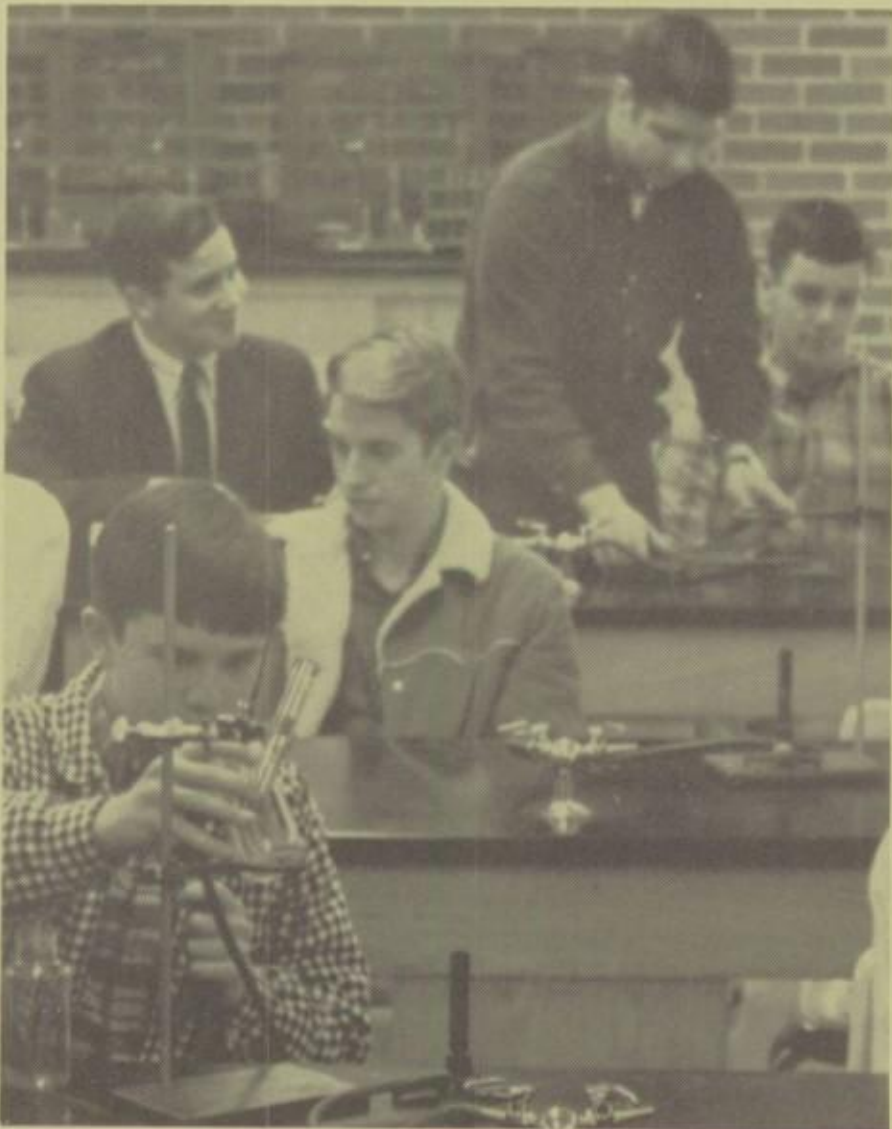

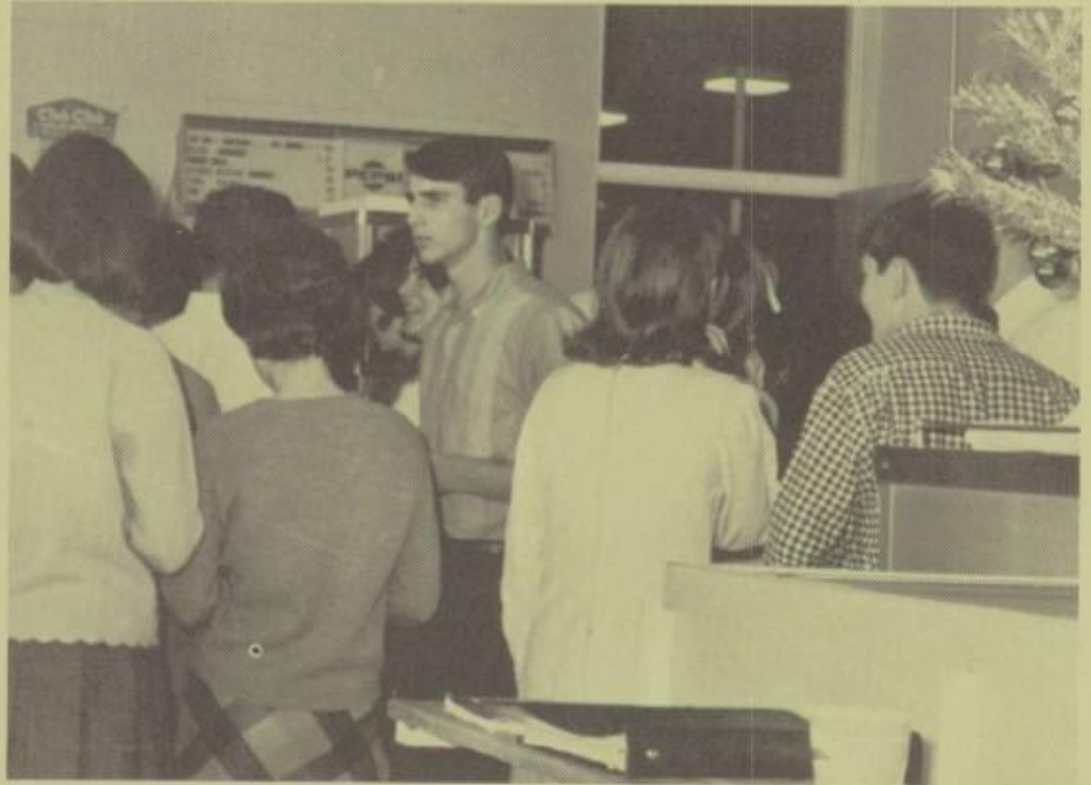

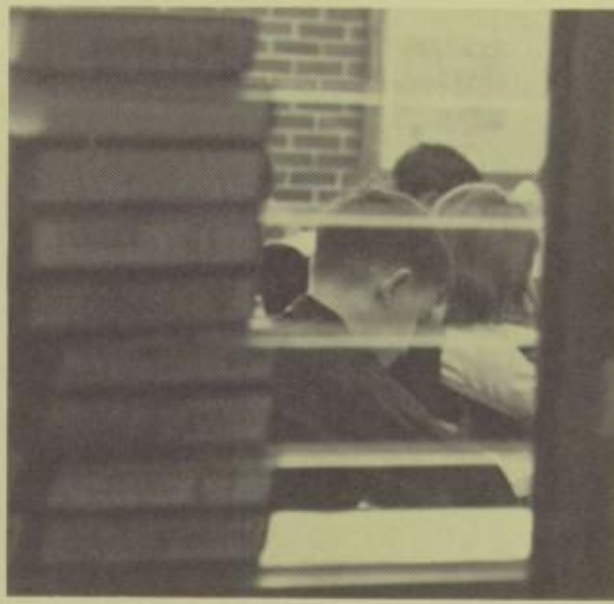

## Classes . . .

A group of students taught together where everyone has an equal chance to learn . . . for the boys, it's get all you can out of your high school education or get an invitation from Uncle Sam . . . the girls study to make themselves better people, wives and mothers . . . every minute was used . . .

It seemed as if sixth period was two hours instead of one . . . students worked on various class projects . . . in every class at SHS there was a challenge, it was up to the individual to meet it . . .

## Seniors Prepare for Coming Years

1966-67 CLASS OFFICERS

Charles King, treasurer; Forest Ann Newcomer, secretary; Nancy Newcomer, vice-president; Bob Bryan, president.

**D**uring the last four years, the seniors have spent approximately 4,320 hours in class in preparation for their future. Some members of the graduating class have prepared to go directly from high school into marriage or into the working world. Their formal education will end and their high school learning must be utilized for the rest of their lives.

**F**or the rest, the end of high school marks the beginning of higher education. They will go to college to learn professions and businesses.

Every graduating senior in the class of 1967 can look back on each hour spent at C. E. Donart High School as a separate opportunity to gain a social grace, a skill, or culture.

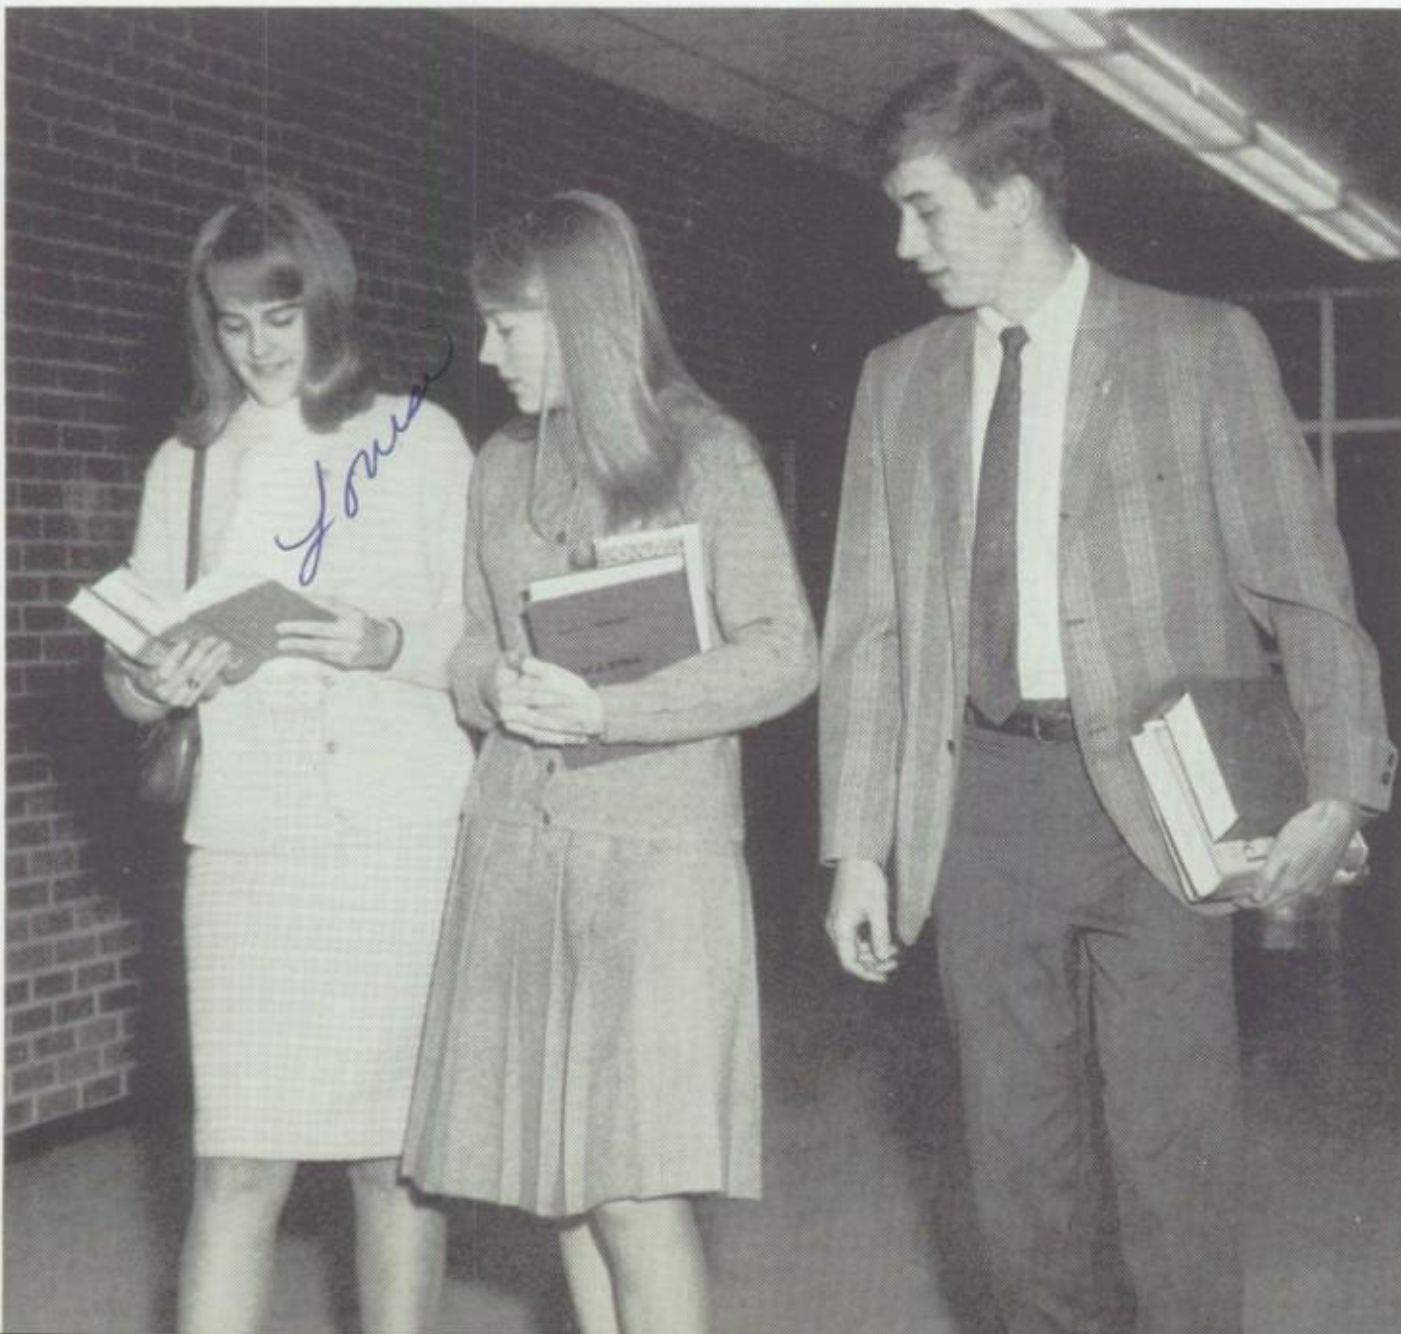

Most School-Spirited Seniors Thomas Williams and Olive Ann Parrott often put up posters to encourage athletes.

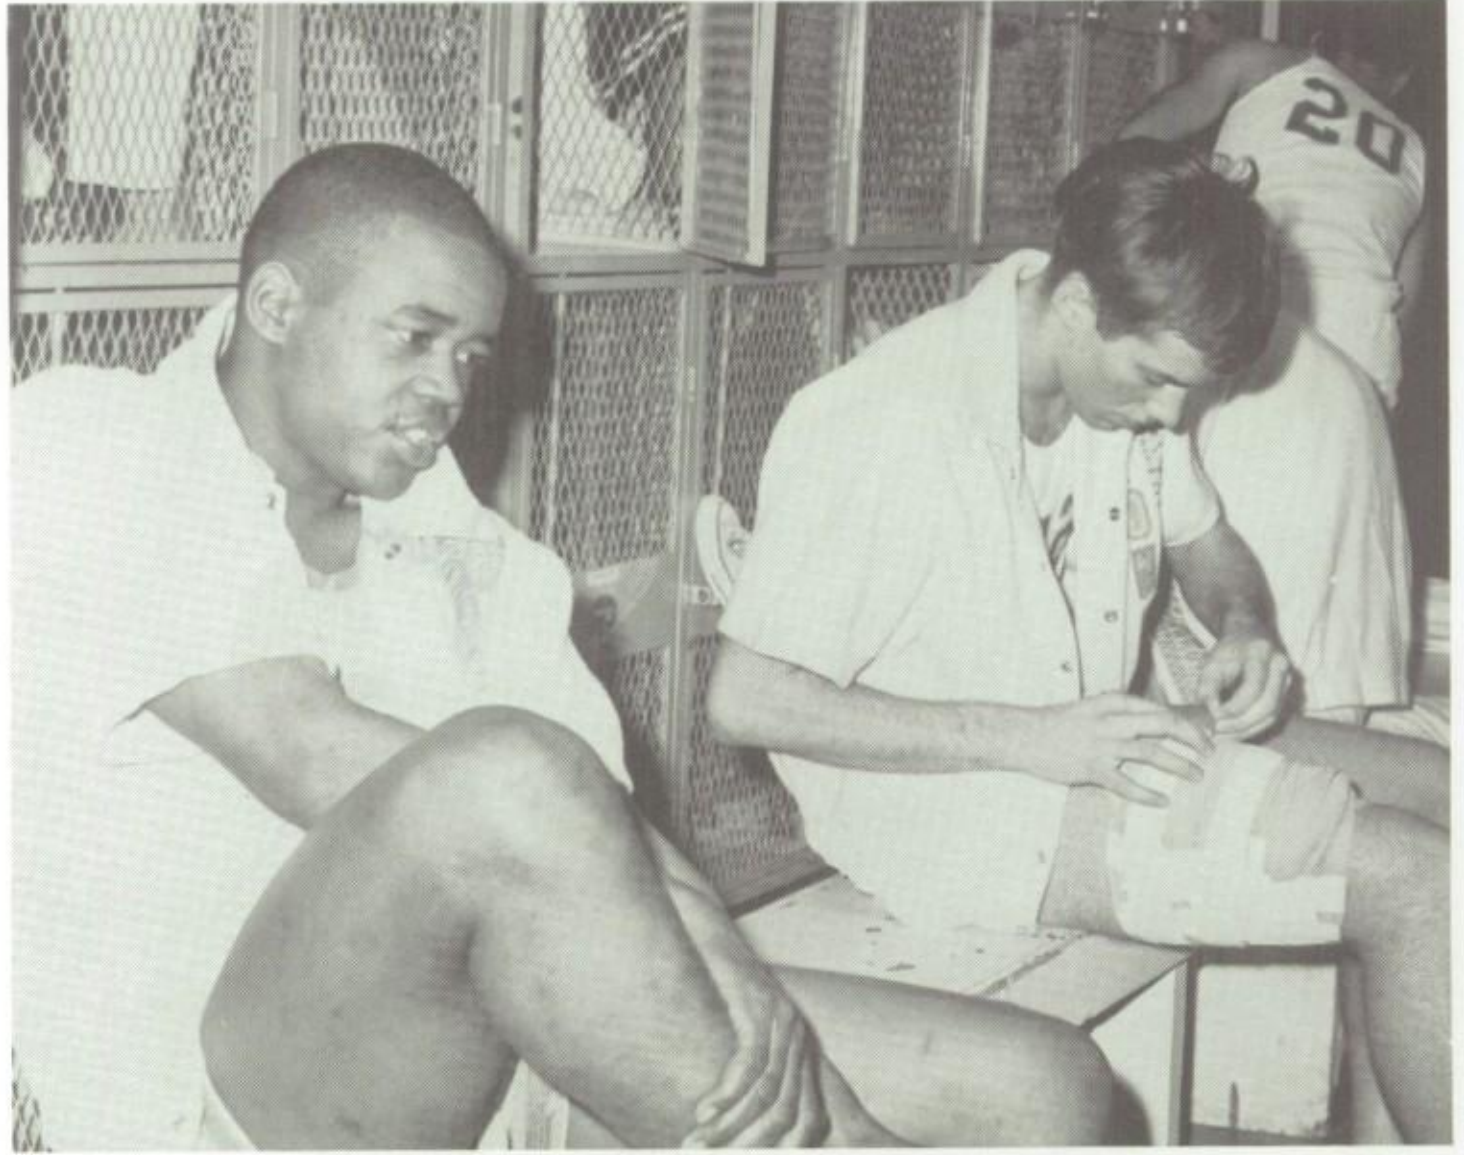

The senior class elected Buddy Wyatt and Jan Wagner All-Around Seniors.

# Seniors Leave High School Behind

All the moments of being together with other seniors and long hours of study are captured in the nostalgic moment of graduation.

JUNIOR CLASS OFFICERS

Dennis McDonald, president; Diane Ray, treasurer; Wesley Davidson, vice-president; Teresa Johnson, secretary.

## Juniors Fill Year With Challenges

The Juniors of '67 have been striving this year to prepare themselves for the challenges they will be facing as the Seniors of '68.

Under the leadership of their class officers and their committees, the members of the junior class accomplished many things.

They were in charge of the prom. They chose a theme, selected a band, handled the decorations, and generally saw that the prom was a success. The juniors also selected their class rings. They altered the appearances slightly, but the rings still represent a loyalty to C. E. Donart.

Academically, the juniors have worked with their teachers and each other to acquire the learning that will be necessary during their adult years.

Next year the juniors will be the officers and leaders of the school. They have made their capabilities evident as juniors.

Junior Leaders—Nancy Reese and Randy Matlock

Take one hay stack and add eight juniors. Remove all teachers and homework and you'll wind up with a lot of fun.

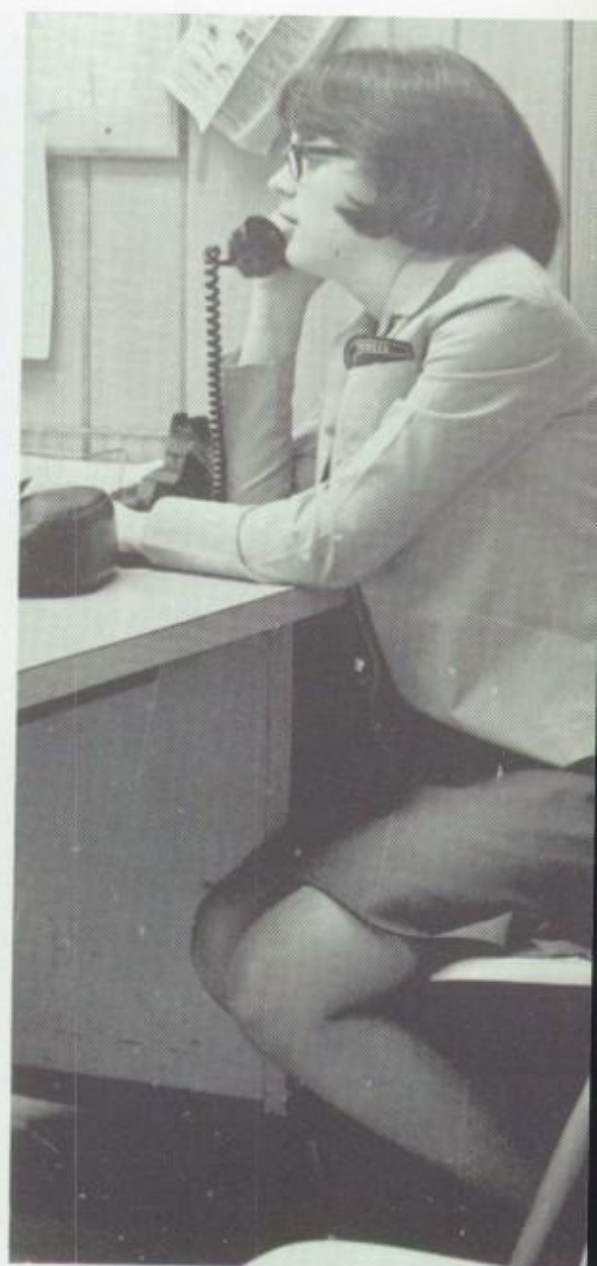

## Seniors of 1968

This year's sophomore class, headed by president James Moore, has gone through the year with a feeling of belonging. They started the year as the "lowly sophs" but soon gained the admiration of the upperclassmen through their school spirit, pride and willingness to work.

For a class project the sophs sponsored a March of Dimes dance. Elaine Bates, Chairman of the March of Dimes committee, together with the class officers James Moore, Jana Taggart, Kristie Evans, and Harriet Clark coordinated the high school's March of Dimes dance. This is the first dance of its kind to be held at Stillwater High in three years.

## Pioneers Suffer Second Defeat

In a fast-moving offensive game, the Pioneers dropped their second contest of the season 28-25. Taking advantage of the breaks, the Class AAA Poncans defeated Stillwater.

The fourth outing of the year pitted undefeated Guthrie against the Pioneers. After two consecutive defeats, the Stillwater team was up for the game. The Blue-jays, expecting a passing attack from the Pioneers, were surprised by a well-executed running game led by Wayne Dotter and Ward Shaklee, running-backs. The final score of the game was 20-0.

## Pioneers Win Key District Clash

In the annual grudge game of the year, the Norman Tigers handed Stillwater their defeat by a score of 23-14. With Bob Thompson's touchdown catch, the Pioneers were ahead going into the fourth quarter; however, the Tigers came roaring back with two touchdowns for the victory.

On the opening play from scrimmage, Buddy Wyatt romped 72 yards for a touchdown. This was the first of several touchdowns in the key conference game against the Edmond Bulldogs.

The previously unscored-upon Edmond defense was unable to contain the fine running of Wayne Dotter, who scored five touchdowns. The game ended in a 50-22 victory for Stillwater.

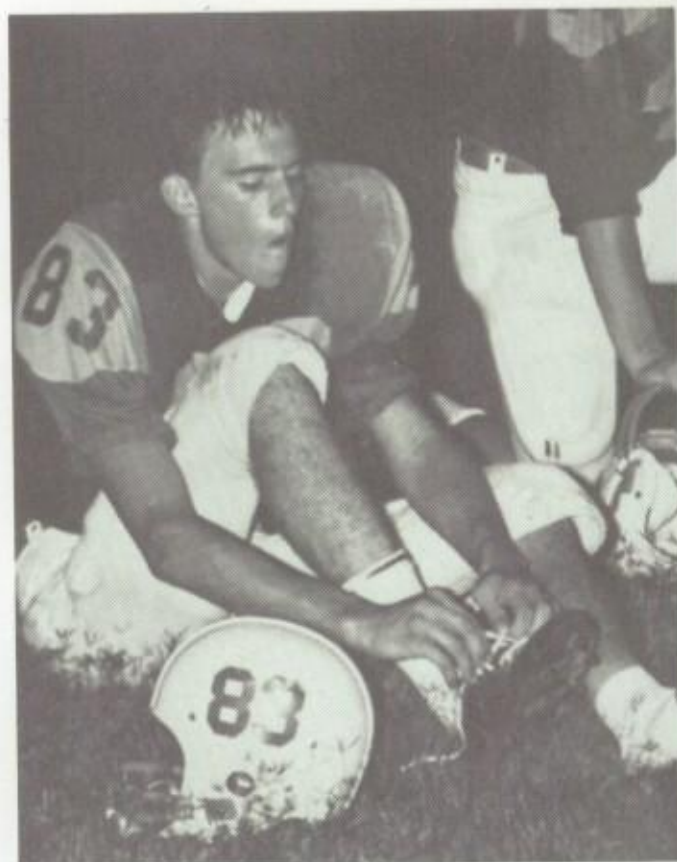

Coach Harris is congratulated by Chickasha coach, Bill Watkins, after Pioneer victory (above). David Johnson makes a punt return for 30 yards against Chickasha (left).

# Pioneers Cinch District Title

For homecoming, Stillwater's old time rival, Cushing, came to Hamilton field. The Pioneers scored on the first series and could not be caught. With the pass receiving of Pat Wilsey, and the blocking of the offensive line, the Pioneers racked up 29 points. The defense, led by Tim O'Donnell, held Cushing scoreless.

The game against the Blackwell Maroons was the last scheduled home game of the season. Turning in a fine game was David Johnson, defensive safety, who made important interceptions which set up the Pioneers for touchdowns. With the hard defensive playing of Jackie Day and Randy Matlock, the Blackwell offensive was never fired up. The final score was 35-0, and sufficient for Stillwater to claim the district championship.

Max Talley, senior end, rests during the half (upper right). Wayne Dotter, senior running-back, sprints away from the Cushing defense for a touchdown (above). Ward Shaklee, half-back, runs through a gaping hole in the Blackwell defense (left).

## Pioneers Close 7-4 Season

The Pioneers posted their fourth straight win of the season with a victory over Chickasha. The team was never behind due to the fine receptions of Max Talley and hard running of Ward Shaklee. Chickasha's only score came on a blocked punt, while the Pioneers' offense scored 48 points.

In Stillwater's final scheduled game, the Pioneers came out on top by a score of 26-22. Nickie Dreessen caught a long pass that set up a key Stillwater touchdown. Del City scored three times, but Stillwater's offensive machine was too much for them.

Stillwater closed its season with a loss to Oklahoma City Central by a score of 18-7. The game was for the regional championship. The Pioneers finished their season with seven wins and four losses.

## Season Starts With Upsets

**U**nder the direction of coach Martin "Red" Loper, the Pioneer basketball team opened the season with a victory over the Drumright Tornadoes. With a treacherous man-to-man defense and the high scoring of Buddy Wyatt, the Pioneers came out on top, 56-30. Also that week, the Pioneers defeated highly-ranked Ponca City, 52-44.

The Pioneers then dropped three straight games before defeating Ada in the McGuinness tournament, 61-48. Stillwater finished first in the consolation bracket after beating Clinton, 50-45.

## Loper Finishes 15th Season With Donart Pioneers

During the latter part of Coach Loper's fifteenth season with the Pioneers, Stillwater posted victories over Harding, Blackwell and Tulsa Edison. The Pioneer losses came at the hands of Norman and Cushing.

In the closing month of the season, the Pioneers traveled to Guthrie and Blackwell for rematches. At home the Pioneers played Norman and Ponca City. Stillwater was in sight for the regional tournament which hosted Bartlesville, Ponca City and Putnam City.

## Grapplers Almost Undefeated

**W**ith new head coach Tom Chesbro, the Pioneer wrestling team put together one of its best seasons. The Pioneers started out the year with a third place finish in the Big Four Tournament. David Turner, 114, David Domnick, 122, Bob Stites 135, and Richard Hartman, 167 pounds, all placed first in the tournament.

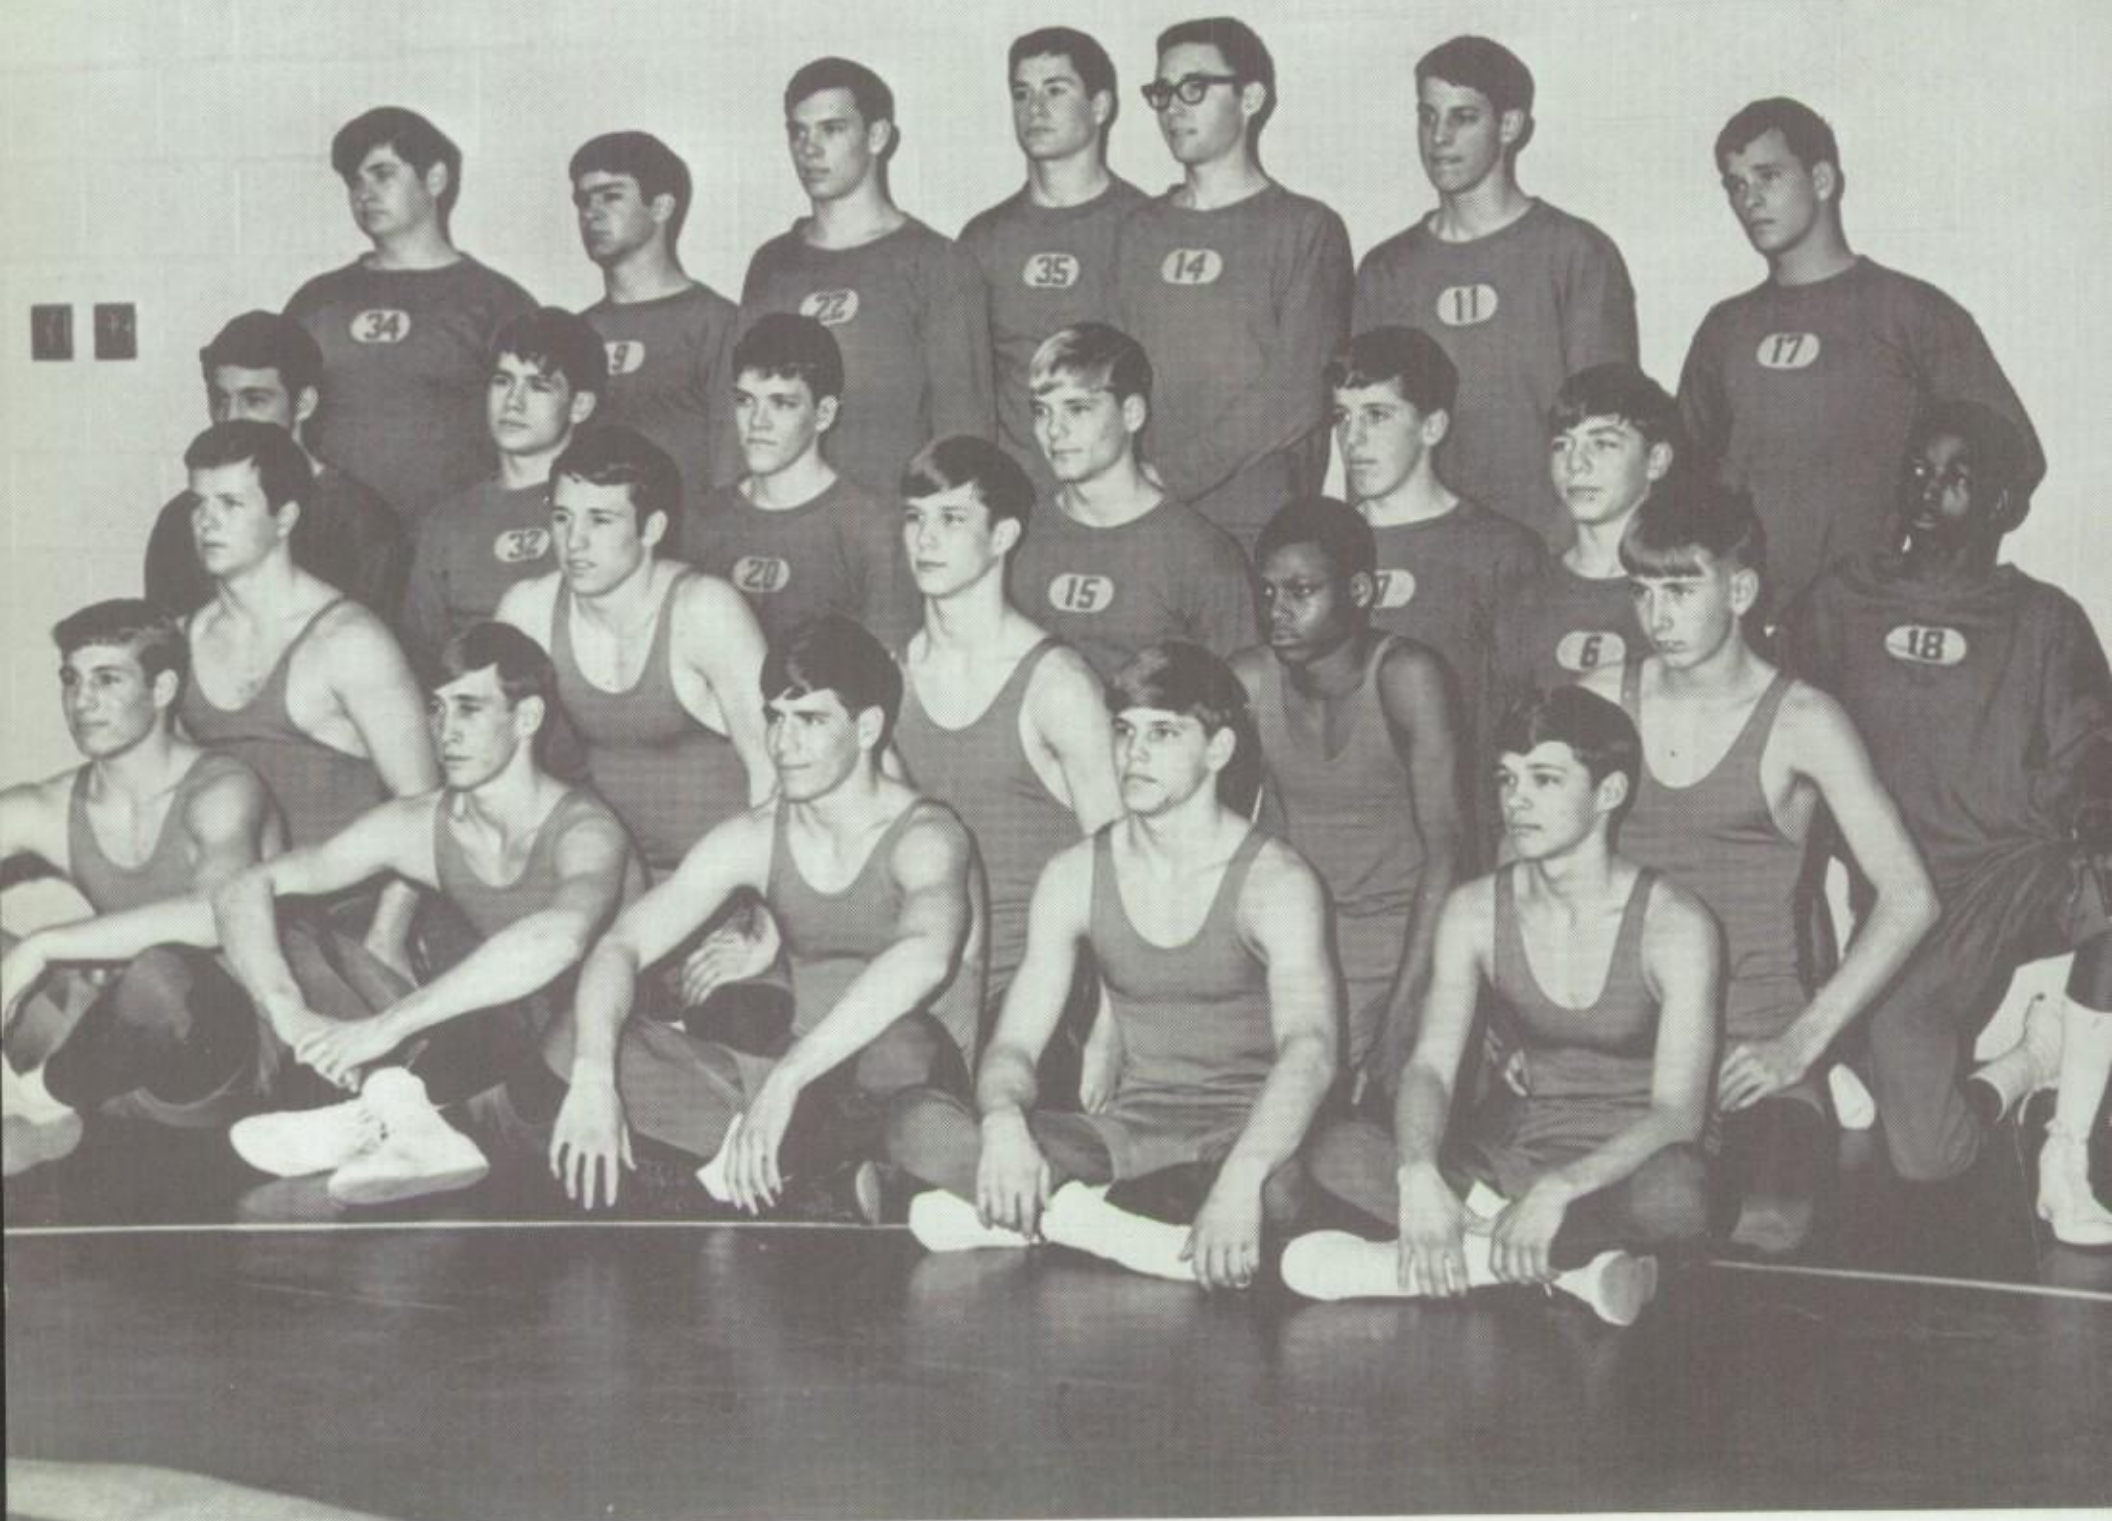

In the first dual of the new season, the Pioneers tied Tulsa Central 15-15. During the same week, the Pioneers went to one of toughest tournaments in the state, in Tulsa, and placed second.

# Pioneers Draw With Perennial Foes

The Stillwater grapplers had their first dual of the season with Perry's Maroons. The match ended in a draw. Del City, Ponca City, Edmond and Putnam City went down to defeat at the hands of the Pioneers.

In the biggest dual of the year, the Blackwell Maroons, whom Chesbro coached previously, came to Stillwater. The match terminated in a rough battle between the two heavyweights. Charles King drew with his opponent, making the final score 16-16.

The Pioneers closed the regular season with duals against Sand Springs and Tulsa Edison.

David Hartman lifts Perry opponent off the mat before making a two-point take-down, (above). Pioneer matmen prepare to leave for the Tulsa Edison Tournament, (left).

## Stites Wins State

The Stillwater wrestling team entered the regional tournament in Del City and was able to send four wrestlers to the state tournament in Tulsa.

David Hartman was the only one to win a first place at the regional at 155. Hartman defeated U. S. Grant opponent 5-4. Others winning a trip to state were Charles King and junior wrestlers Bob Stites, Richard Hartman and Jay Arneson. The Pioneers finished third in the team score behind Norman and U. S. Grant.

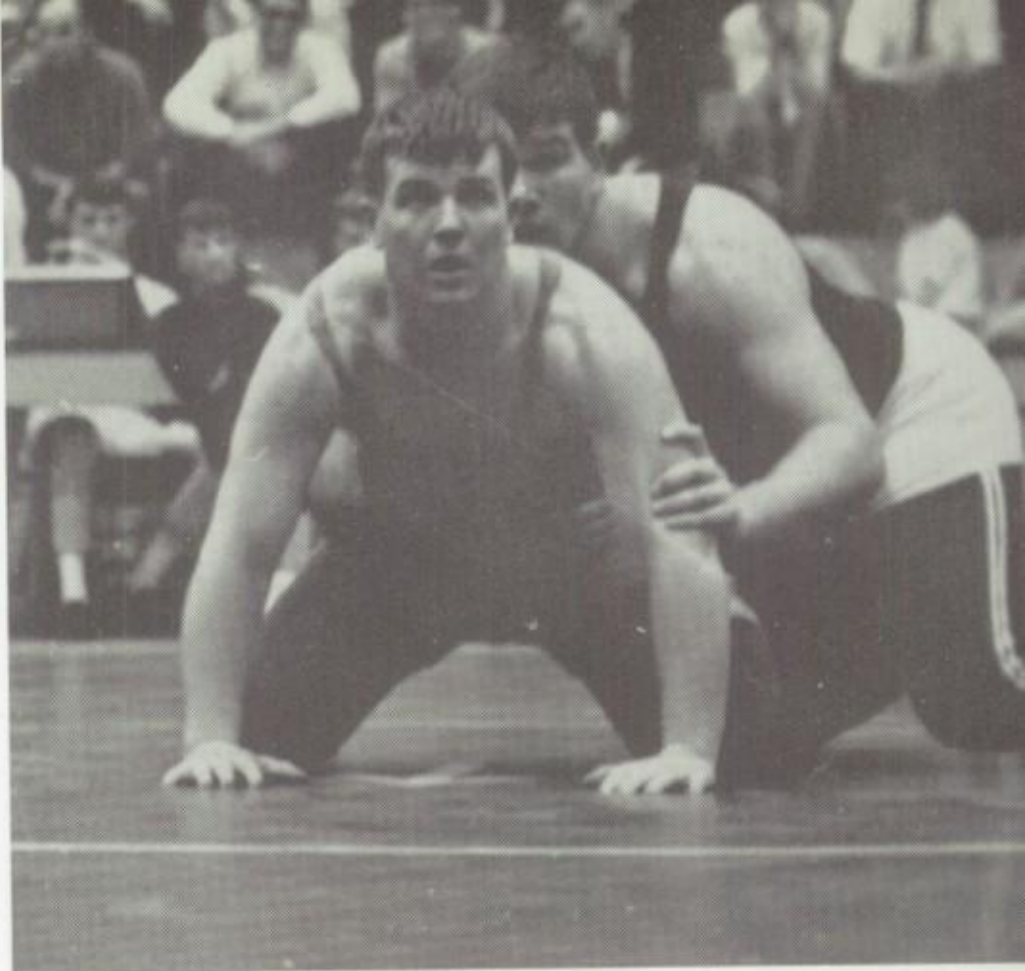

The State Tournament grouped some of the finest wrestlers in the state. The Pioneers sent David and Richard Hartman to the finals along with Stites. King was eliminated in the early matches. Arneson went a couple of steps farther to claim fourth in the state.

In the finals the Hartman brothers were defeated by two defending state champions. Stites came through with a stunning victory over former state champion at 129 to become the Pioneers only state champ.

The Pioneer team finished another great season and the 67-68 team should prove excellent since the Pioneers lost only three seniors.

## Pioneers Work to Improve Record

**W**ith new head coach Dale Roark and a large group of returning lettermen, the Pioneers anticipated a good baseball season. Last year's record was 13-12. The Pioneers worked hard to improve their record.

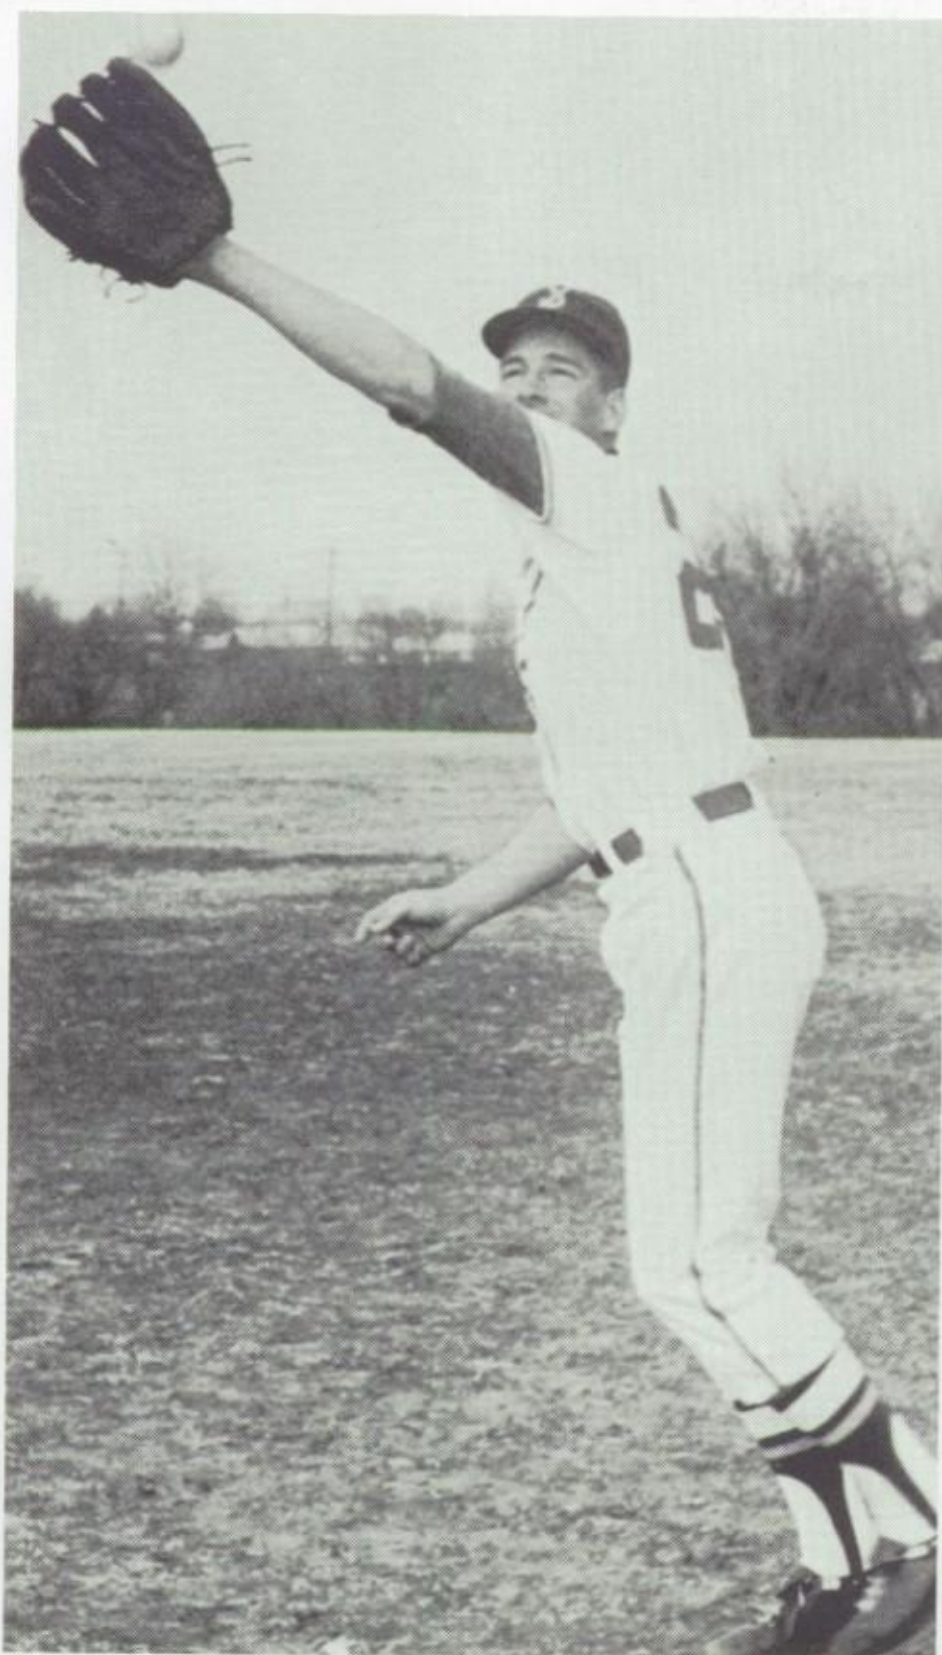

Returning lettermen included Wayne Dotter, center field; Tim O'Donnell, third base; Buddy Wyatt, shortstop; Rusty Bennett, second base; David Hartman, catcher; and Randy Matlock, second base.

The schedule included games with Ponca City, Guthrie, Cushing, and Oklahoma City. The Stillwater team was in one of the toughest regionals in the state.

# Thinclads Excel in Distance and Sprint

**P**ioneer trackmen, under Jim Harris, worked hard for a fine dual record this year and a high finish in the state. The 1967 thinclads had a well-balanced team as far as sprinters and distance men were concerned, but lacked some in the weights.

The sprinters this year were led by Ward Shaklee and Thomas Williams running in the 100 and 220.

Other top-notch runners were Scollay Hock, Nick Dreessen and Tom Dearing. The distance runners were Ray Jackson and Bill Hornbostel.

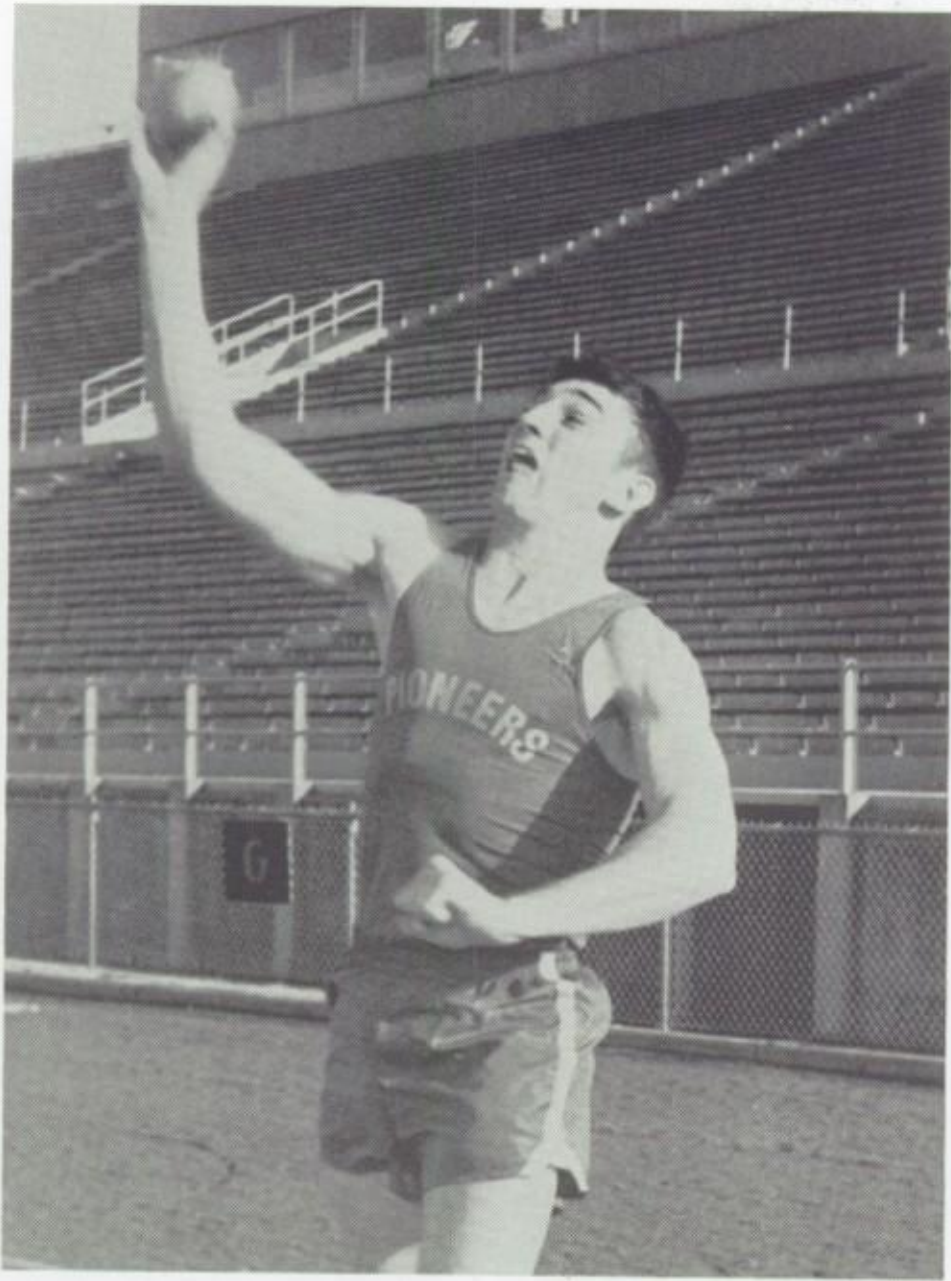

Other excellent cindermen were John Potts, broad jump, Kirby Brock, pole vault, Jackie Day, weights, and Bob Thompson, hurdles.

## Cross-Country Boasts State Champ

**W**ith Archie L. Edwards, formerly of Oklahoma City, as new coach, the Pioneer Cross Country team had its first state champ in several years.

At the first meet of the season, at Oklahoma Baptist University, in Shawnee, the team did not place. The harriers placed fourth at the relays at U. S. Grant, and fifth in the Oklahoma State University Invitational.

The Pioneer Cross Country team finished the season in a blaze of glory at the state meet in Stillwater as Bill Hornbostel took the State Class A Championship with a time of 10:20.

Bill Hornbostel, Class A State Champion Cross-Country runner, also placed third in the Oklahoma Baptist University meet, second in a dual with Norman, and eighth at Oklahoma State University.

In March, Hayes won the Amarillo Tournament. The team went to the Altus Tournament in preparation for the state high school meet in Norman. **T**he girls' badminton team participated in the Ponca City Open Badminton Tournament on April 8 and the State Badminton Tournament at Central State College on April 15 with two doubles and two singles entries.

Every day Monday through Thursday the gymnasium was open for the team to practice. Coached by physical education instructor, Trudy Wright, team members included Cindy Haslett, Harriet Clark, Linda Bentley, Rochelle Grau and Vicki Walden.

## Girls Use New Tennis Courts

**T**his year Stillwater High constructed two tennis courts on the west grounds of the school for use by the students. Subsequently, a girls' tennis club was formed. Interested girls practiced after school and on

week-ends. Intramural matches were held. Team members included Betty Cunningham, Darlene Vowel, Patty McCrary, Peggy Holmes, Gayle Brant and Jana Taggart.

## Epperly 'Jazzes Up' Music Department

A little more jazz and not so many early practices were common this year with Barry Epperly stepping into the spotlight as the new vocal music teacher.

Epperly added several new things this year—a concert choir and the Pioneer Preview, a variety show of vocal and instrumental talent with special highlights on the solos, a “can can” chorus line and a boy’s “ballet”.

The musicians presented programs at Thanksgiving and Christmas in addition to performing at district and state contests.

Spring concert had a new look this year too with songsters presenting the concert in the high school courtyard.

## Music Groups Draw Attention

Four high school girls took time out of their schedules to accompany the music groups. These girls spent time outside of class also helping other students prepare contest music and special program numbers. The girls glee club sang popular, jazz, serious and classical musical numbers. This vocal music group also helped the music department by singing for special events.

## Orchestra Performs for C. E. Donart

The orchestra again this year performed for various programs. A special program was presented for the student body during the annual Christmas assembly.

Orchestra members played with three other cities in a Tri-City program in February, a new music workshop to increase the student's musical experiences.

In March the orchestra traveled to district contest and in May went to Tri-State in Enid.

The musicians rounded out the year in May with a spring concert featuring various solo and quartet groups which had entered contests and climaxed an eventful year with their annual May picnic.

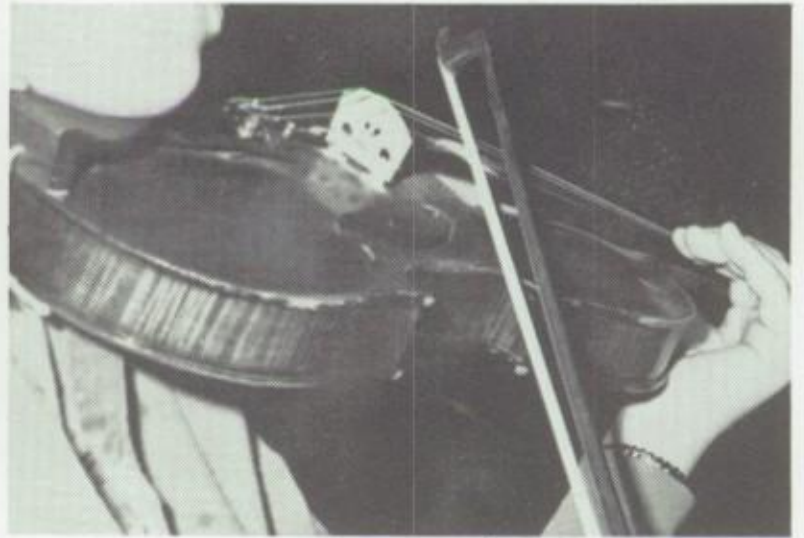

Orchestra officers count money from their annual candy sale. This sale is the only money-making project the orchestra participates in. Officers are from left to right, V. A. Dermer, Renee Gladstone, Beth Cooper and Mary MacAlpine.

## Stillwater Band Displays School Pride

The Stillwater High School Band has grown in size and quality in the last few years. The Band performed at all home football games. They went to contests during concert season and also sent five students, who qualified for the all state band, to Norman for a concert. Thirty members performed in a mass band program at Sand Springs last fall. Pep assemblies were enlivened by the pep band led by drum major, Richard Harlan. The band also played at the annual powderpuff football game.

The largest money making projects this year was a bake sell in the fall to raise money to charter buses to contest.

## Debators Meet Challenging Teams

Although there were only eleven debators, C. E. Donart can be proud of their debate team.

Debators traveled to the Durant Tournament, the Little Nationals held at Muskogee and the Enid, Lawton, Ada and Weatherford tournaments. There they gained valuable speaking experience and learned to master the art of clear and logical thinking.

In addition to debating the national topic this year, "Resolved that the foreign aid of the United States should be limited to non-military assistance," students entered oratorical and extemporaneous speaking events. Sabra Houck qualified for regionals in girls extemporaneous speaking.

Debate class members participated in a Student Congress April 15 at Capitol Hill in Oklahoma City where the students were judged on debate and parliamentary procedures.

Debators are ready for a real Senate situation. They are—Row 1: Howard Jarrell, Gary Hulse, Dennis Nave and Bill Hornbostel. Row 2: Bob Murphy, Chris Covey, David West and Sidney Laughlin.

## Plays, Contests Highlight Events

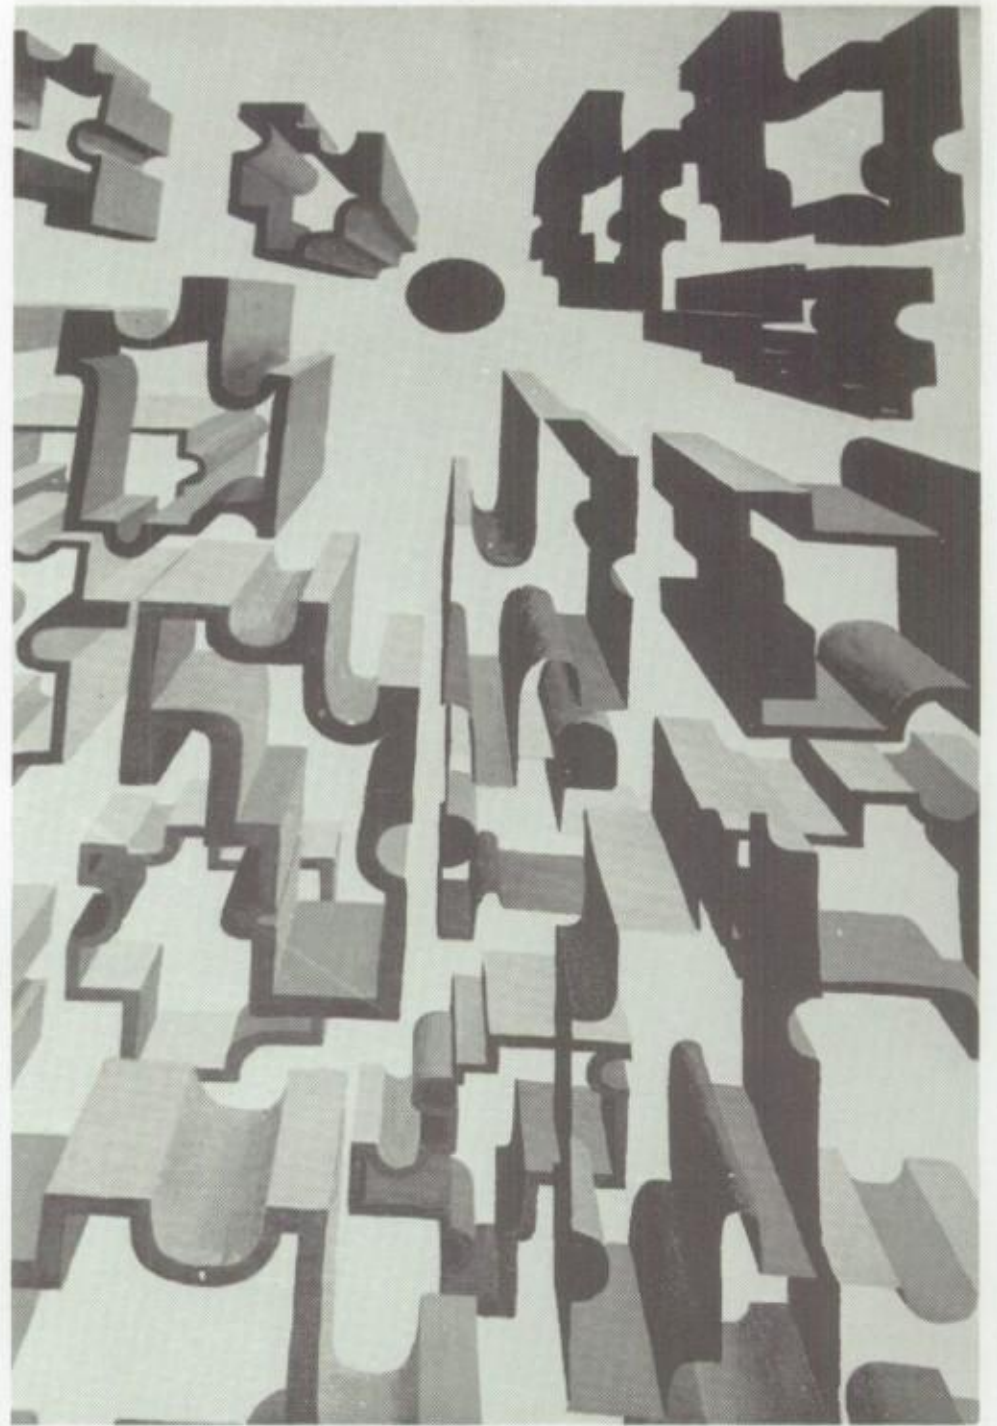

**M**rs. Deanna Fay, new speech teacher this year, directed three one act plays during the fall, "Come Blow Your Horn," "This Property is Condemned," and "The Brick and the Rose."

The speech department also went to regionals and state contests. Regionals were held in Stillwater while state contest was held at Norman. Students who went to contest were Jan Buck in a dramatic selection "This Property is Condemned", Joy Bowles and John Schott in radio, Dow Simank and Chris Friesen in a duet "Come Blow Your Horn". Also in the spring the speech department presented their annual three-act play, "The Diary of Anne Frank."

## Art Invites Self-Expression

In art, students learn to work with sculptures, oils, water colors, clay and charcoal. Art students worked all year on projects to take to the state art show and contest held in Oklahoma City April 16-17. Judges select art pieces to be exhibited in the show and those which win prizes. It is an honor to have an exhibit in this show. C. E. Donart students entered paintings, sculpture and original drawings.

Following tradition, National Honor sponsored the first mixer and concession stand as a money-making project after a football game.

Officers attended the National Honor State Convention in Del City in November, and in December they held a coke party. Each member brought a toy for a needy child.

New members were tapped in the spring. New officers were elected and installed at the annual spring banquet.

## State Honor Promotes Leadership

Membership into State Honor is taken from the top ten per cent of each class, based on grades for two consecutive semesters. The last semester of one year and the following semester of the next year are determiners for membership.

State Honor members opened assemblies with the flag salute and a short devotion. Officers checked sophomores, juniors and seniors grades for membership.

Throughout the year, Mu Alpha Theta posted bulletins to publicize the club and inform students of opportunities in math.

Activities included a joint meeting with Pi Mu Epsilon, honorary math fraternity at Oklahoma State University, and various speakers for club meetings.

April 6-8, C. E. Donart hosted the Sixth Annual Regional Convention, which includes clubs from Oklahoma, Arkansas, Texas, and New Mexico.

# Juniors Boost Spirit

Pep Club, the largest organization at C. E. Donart with 100 members, revamped this year with new uniforms of gold tarpoon cloth blazers and royal blue skirts. They also got new sponsors.

To be a member of Pep Club, each girl pays \$1 dues. All members of Pep Club have three things in common: a good pair of lungs, pep which equals nothing on earth, and a deep sense of pride for SHS.

Pep Club members cheered the teams to victory . . . seniors decorated halls, goalposts and team member's locker.

Mixed emotions were felt at games—happiness, hope, fear, and victory. Pep Club officers talked with teachers and photographers, collected dues, arranged skits, and sold season tickets and programs. Cheerleaders danced, cheered, and huddled in blankets during those colder evenings.

Linda Hall waits in anticipation during an exciting moment of a wrestling match.

# Pep Club Shows Enthusiasm

After a hard workout, juniors rest in the courtyard.

Cold weather did not stop Pep Club members from going to the football games. In fact, blankets, coats and nose warmers seemed to raise spirits.

Crossed wrists and fingers were always seen before the initial kickoff at football games.

While most of the pep club is intently watching the plays on the field, a group of seniors find something more amusing. However, junior, Patti Friedemann takes no notice of their antics.

## Pep Club, Cheerleaders Organize Skits

Susan Barrett, alias Goldilocks and Jan Wagner, The Big Bad Wolf, converse as Jan tries to persuade Susan, with a cagy wink, to eat some porridge with her.

This year only French Club members and guests were eligible to attend. Plans were made for the Mardi Gras to be an all-school event next year.

The S-Club jacket is prized by every letterman because of the hours spent to earn the "S" letter.

## "S" Club Initiates Senior Lettermen

S-Club started a new initiation system this year. Boys who lettered their senior year were initiated in early February before the junior initiations so that all the senior lettermen could participate in the annual "scurve" week. The sale of sweat-shirts topped the list of money making projects although mixers and concessions added extra money to the treasury.

Among other accomplishments, S-Club held a private party for members in the spring, co-sponsored an all-sports banquet in May, brought speakers to meetings and set up standing committees for initiation, meetings, and banquets.

#### S-CLUB MEMBERS

## Tri Hi Y Becomes School Sponsored

In the first year as a school sponsored organization, the members attended the Northwestern District Conference at Lake Murray in November and Pre-Legislature in February. They also participated in Youth and Government with the Hi Y Club.

Members studied government policies, the senate workings and bill presentation for the Youth Legislature.

## Quill and Scroll Members Excel in Journalism

Members of Quill and Scroll were chosen because they each excel in some phase of journalism. A grade point of 3.0 is also required for membership.

Max Talley, president, was the only boy who qualified for membership. Students from the Oklahoma State University School of Journalism assisted initiating the charter members of C. E. Donart's chapter.

For its first year, Quill and Scroll gave a scholarship of \$100 for an outstanding student planning a career in journalism.

April 14 marked the day for the annual Publications awards banquet. At this time, new staff members and new Quill and Scroll members were announced.

Quill and Scroll sponsor, Mrs. Micki Goins, organized the club for its first year at C. E. Donart. She is shown here with the charter obtained through the National Quill and Scroll office.

Newly initiated charter members, Max Talley and Marsha Edmundson, stand in line to receive refreshments after Quill and Scroll initiation.

Judy Johnson and Joy Bowles serve refreshments at the first Quill and Scroll formal initiation.

## Future Teachers Serve School In Various Ways

Future Teachers of America kicked off its annual membership drive with the annual root beer bust in September, and members served as guides for open house during American Education Week in November.

The Red Apple Award was given each month to the most deserving teacher as well as the Teacher of the Year. Other activities include various speakers from the field of education, and a Christmas party.

Highlighting spring activities was the installation of officers during the yearly spring banquet where the year's activities were reviewed.

Each Girl and Boy Stater participates in his own "city, county, district and state" government. These sessions were held to acquaint the high school students with an understanding of their state's government.

The Stillwater Rotary Club selected two boys to attend their weekly meeting, and keep the club informed on the school's recent achievements and accomplishments.

B&PW girls were chosen by the Business and Professional Women's Club to attend their monthly dinner meetings.

Suzy,

To begin my juicy love letter, I'll tell you how much fun you've been in Art this year. You've really brightened up Art class (has it been a productive year?) You and B.J. will probably never be the same after some of the dents you've had. If you're in there for another Semester, one of you is going to have to give. Last year we had some real cool times. (Remember when I used to come to your locker? And when I took your parking out?) The three one acts this fall never would have been the same without your technical advice. That rose you & Sherry B. & I did was just too much. And all the petrified ham you had to eat for dinner. You'll just have to let your hair grow out long this year again. That picture with the 7 legions is too much. I don't think I should have let you off so easy when you hit me in

the parking lot. And  
if you need a sponsor  
for your Baptism  
when you become a Catholic  
be sure to call on me.

Well, Suzzy, I wish you  
the best of luck in finding  
your Catholic Doctor who's  
last name begins with D.

However, you can always  
come over to my house  
and paint masterpieces  
(I mean create) with me.

Come out to M's W to bug me  
and I'll bug you out at

Tiger. I hope to be seeing  
you this summer. C.P.S. I hope  
you didn't mind me signing  
on your page, I kind of  
filled it up.)

# Humanities Course Added to English

For the first time, English V was offered to juniors and seniors at C. E. Donart. Charles Chessmore, instructor, said, "English V is more a humanitarian course than a grammar course." The course was sectioned to give time to studies of poetry, accelerated reading, vocabulary, philosophy of criticism, art and drama.

English V was added to supplement the four required years of English. Some classes used Reader's Digest as a text for vocabulary building and studying articles and stories. Several junior classes performed one-act plays by American authors.

Several teachers recently adopted a new English grammar based on a new concept of sentence patterns.

# Competition Arouses Interest

Who will be speaker of the year? In speech classes, one person was chosen speaker of the week. From those winning speakers, a speaker of the year was chosen. The competition aroused an interest in public speaking.

Journalism I students learned the skills involved in being good reporters to prepare for positions on the newspaper and yearbook staffs. Advanced Journalism students worked hard to make the annual and newspaper match the high quality of previous years.

The languages offered this year at C. E. Donart included Latin, Spanish and French. The Spanish department was headed by a new instructor while French students organized a new club, "Le Cercle Francais".

# New Teachers, New Ideas!

Three social studies teachers were added to the growing list of new C. E. Donart teachers. They include Tom Chesbro, Archie Edwards and Mrs. Anna Savage.

These new teachers brought with them ideas such as "card games" and relay games which helped students review for tests.

## Math Employs New Books and Teachers

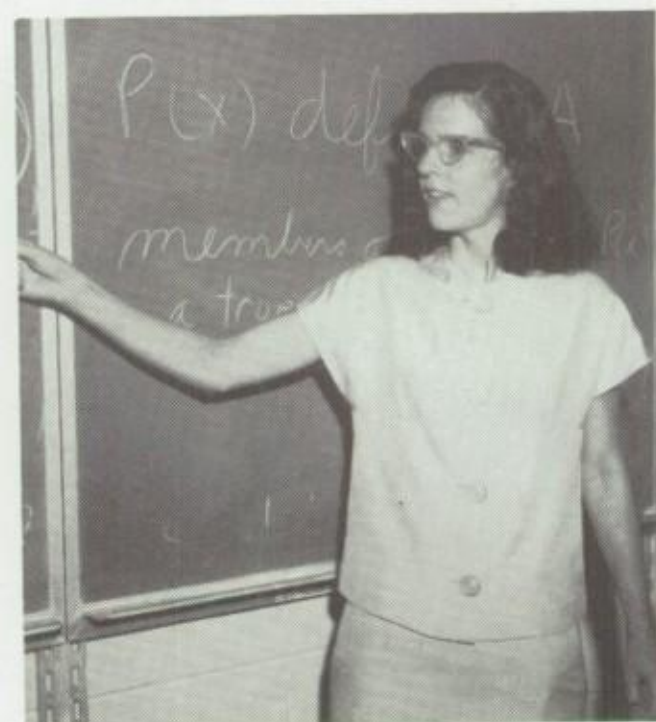

Out of three math instructors, two were new to C. E. Donart this year! One of the new teachers, Mrs. Jean Carr, brought with her new texts for advanced math and for physics. John Roberts, another new teacher who instructs algebra, and C. D. Mihura, geometry teacher, both employed the use of new textbooks.

## Experiment Is The Key to Science

**E**xperiment was the key word in science classes this year. Along with written assignments, students found excitement in dissecting a frog or making a batch of NaCl.

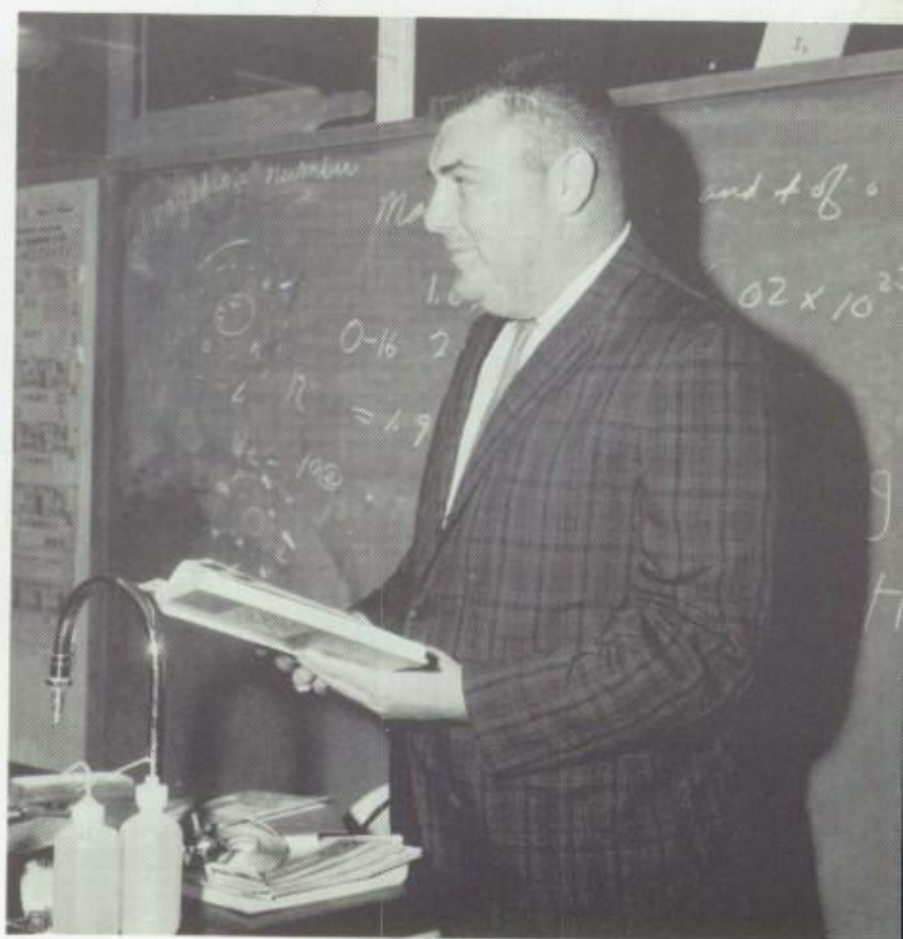

"Biology and chemistry courses help students discover first-hand, through experiment, the principles that govern life," said Russell Martin, sophomore biology teacher.

Psychology and physiology, semester courses, had a record enrollment of nearly 150 this year.

## Tradition Broken for 'Tasting Meal'

The juniors of the Home Economics Department broke tradition this year by eliminating the annual Thanksgiving dinner. In its place they gave a "tasting meal" for their guests where an exotic array of dishes were sampled.

Gainful employment in Home Economics, which includes child care, sewing services, and food, was in its second year of existence at C. E. Donart.

# Business Careers Offered Students

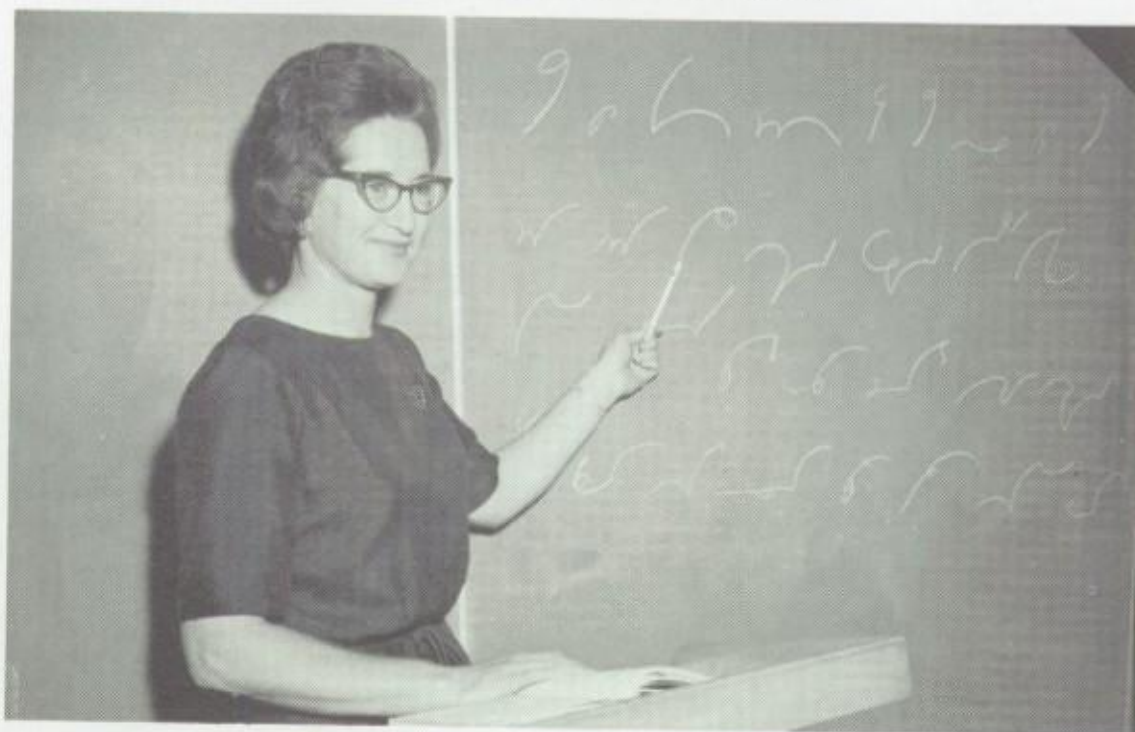

Foundation for business careers can be obtained in courses offered in Distributive Education, Office Practice, Business Education and Vocational Business.

Students enrolled in these courses usually obtain outside jobs in department stores, offices and banks and also in our own school office. The students are able to serve both the school and the community.

Through these courses the students learn to take inventory, operate cash registers and form good business habits.

# Industrial Arts Requires Highly Developed Skills

A subject that takes skill and an ability to use your hands best describes the industrial arts courses taught at C. E. Donart High School.

Mechanical drawing is a must for students intending to enter such fields as drafting and engineering.

# Stillwater Enriched by Extra Curricular Activities

James Snodgrass and the band thrilled audiences with many new tunes this year while David Heid added many new instruments to the orchestra.

The name was the same, but the face was different as Barry Epperly succeeded his father, Glenn, who had served 21 years as music director.

Class tournaments were conducted in every sport the girls learned from the new girls' physical education teacher, Trudy Wright.

James Harris kept the boys in shape with vigorous routines for physical fitness.

## Devotion to Students Displayed by Sanders and Gibson

A slow laugh, a winning smile, twinkling eyes, and a warm personality characterize the Pioneer's principal, James R. Sanders.

There is always time and interest in Sander's busy schedule for the individual student and his problem.

In his fourth year as C. E. Donart principal, he has launched numerous innovations to aid teachers and students. This year for instance, students felt the effect of space age inventions as computers replaced teachers in working out student's class schedules.

This helped with zooming enrollment and the demands of modern education which face Sanders daily. With his interest and leadership, C. E. Donart is building on its Pioneer heritage.

"Keeping us in line" is often defined by students as the hard job facing Ralph Gibson, assistant principal.

As assistant principal for the last 12 years Gibson has been responsible for "discipline" in school. This includes counseling and checking on students absences and tardies.

Seniors find Gibson a valuable source of information when applying for college scholarships and planning the roles they will assume in the community following graduation.

His other duties include selecting and sponsoring National Honor Society.

## New Programs Aid Students

The new counseling program, one through which each class's attendance, schedules and hours of credit would be accurately recorded, was launched this year in an attempt to incorporate a more suitable and stabilized environment as a part of each student's curriculum.

This year the library became more than just a refuge for the proverbial book-worm. Instead, it served the student as an instructional materials center providing audio-visual aids for classroom use plus a professional film reviewing room for the faculty. The library also became headquarters for the newly organized speed-reading course offered to Donart students for the first time.

New Assistant Superintendent of Schools, Joe Glover, works closely with the superintendent, principals, business manager and teachers. He works closely with the federal program—including hiring counselors, determining salaries and buying textbooks.

Jack Johnson is the Director of School Services. His duties are to maintain janitor and bus-driver services. His work is tied in closely with the business manager.

# Yearbook Staff Looks For Unique Ideas

It was an exciting year for the yearbook editors, Jan Wagner and Jan Potts, and their advisor, Micki Goins, as they incorporated many new and modern ideas into the '67 Pioneer. They broke away from the traditional type of yearbook through the use of a new style of layout and more informal pictures. They also effected the dramatic change of eliminating school colors in the cover.

The staff attended several informative yearbook conferences and retained the help of a professional yearbook consultant, Lloyd Tomberlin of Hunter Publishing Company, in an attempt to produce a clearer, livelier, fresher view of C. E. Donart by using more "story-telling" pictures and less copy.

The first goal of the editors and advisor was to make a completely unique, yet prize-worthy, yearbook for the students.

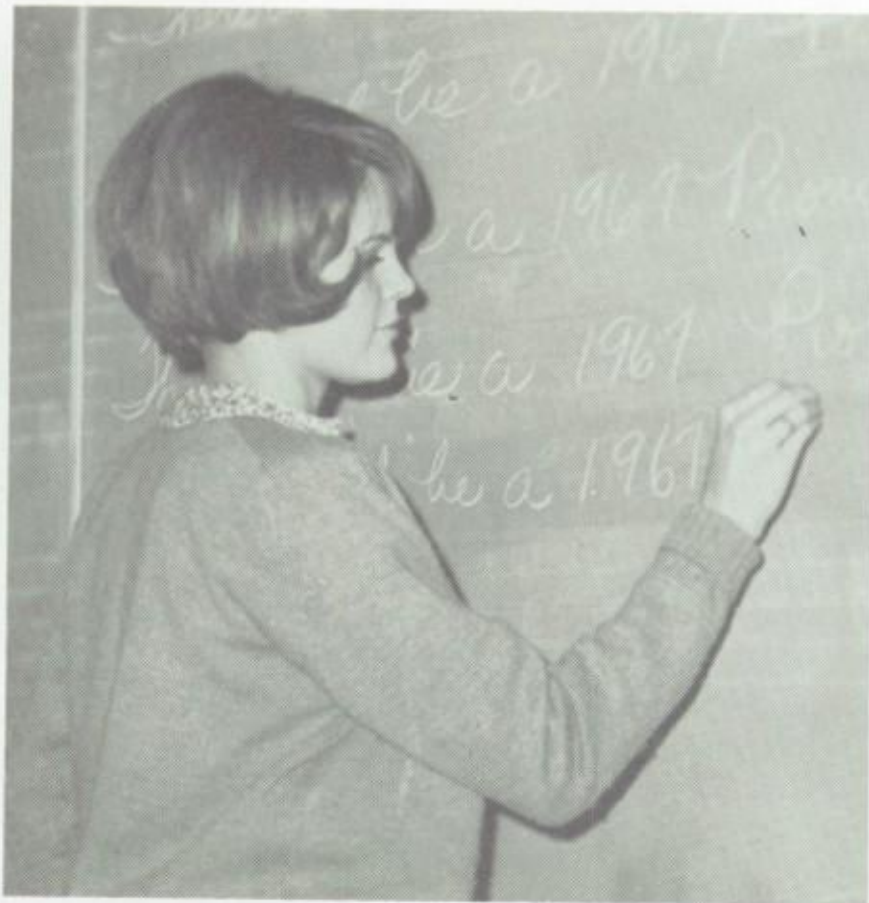

Working together for new ideas was the goal of this year's annual staff.

## Pioneer Staff Supports Editors

The yearbook section editors worked diligently with the editors to use modern ideas in their copy and layouts this year.

Classes editors Linda Weilmuenster, Quinette Castleman, and Marlana Milburn tried interesting arrangements in their sections. Dan Bellatti livened up the sports section with less copy and more action shots. Organizations editors, Carol Borgstrom and Marsha Edmundson took more informal pictures of clubs.

The school life section served a double purpose as an opening section as editor Forest Ann Newcomer attempted to incorporate "story-telling" pictures and a minimum of copy. Jeanette Johnson eliminated mug shots of teachers and unnecessary copy in the academics section. Sarah McLeod and Penny Ames added an organizations index.

Technical jobs were performed by Joie Reynolds, copy-reader and Shelley Ricker, business manager, who helped Judy Johnson, advertising editor, sell a record-breaking \$2000.00 in ads.

## All-School News Strives for Perfection

Michele Celarier, All-School News associate editor

Improvement was the big word in the All-School News this year. Editor, Beverly Parks and associate-editor, Michele Celarier worked long hours to produce as nearly perfect a paper as possible for their readers. Miss Parks said, "We used more action pictures and completely eliminated the usage of dull mug shots."

Another improvement was the use of more quotes in the news stories. Also, a weekly feature entitled "Spotlight on Pioneers" was introduced which gave an interview of each week's athletic captains.

Again, the members of the All-School News staff participated in "Times for Teens" workshop, consisting of a tour of the Oklahoma-Times Publishing Company and preparing a page about Stillwater High's activities, published in the Oklahoma City Times.

The highlight of the year for the All-School News staff was receiving a medalist rating from Columbia University Scholastic Press Association. This is the highest honor which a high school newspaper can receive.

# Reporters Practice Professional Techniques

Indispensable jobs were done by the various news departments.

Mary Kay Hodnett, feature editor, looked for the unusual news at SHS. News editor, Julie Price copy-read all newspaper stories. Max Talley, with the help of his assistants, Bob Thompson and Jim Shields, covered all sports events.

Two new departments were added this year—exchange, in which editor, Sharon Temple sent the All-School News to various schools in trade for their paper each week, and library, whose head, Oran Hamilton, kept a morgue of news clippings.

The all-important duties of news gathering were done by the reporters, Judson Hurd, Jan Ringwald, and Jackie Day.

# Photographers Tell Stories with Pictures

The main job of this year's photographers was to tell stories with their pictures. To do this, they had to be ready at all times with cameras and equipment to get pictures of expected or candid shots.

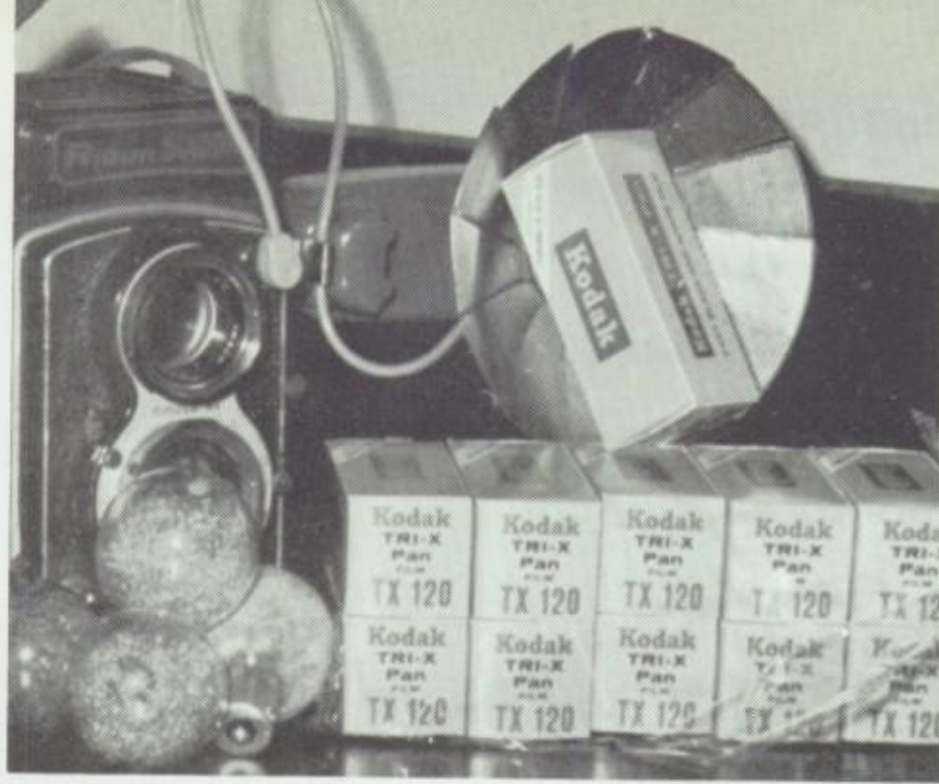

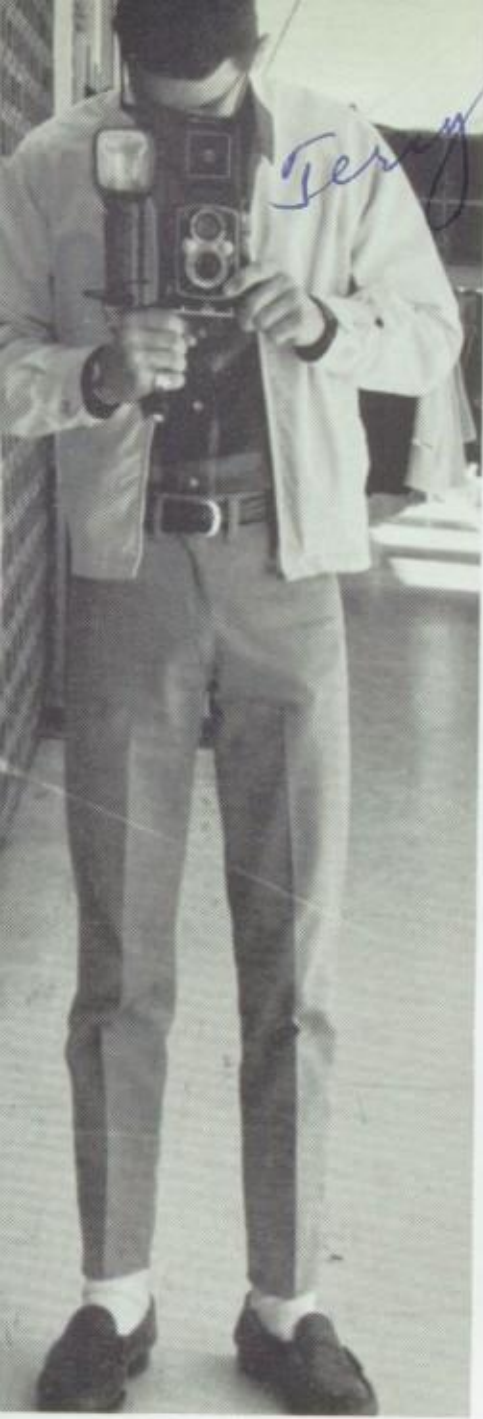

Many hours in the dark room developing negatives were required of Tim Moody, Terry Moody, and their assistant, David Hanson.

The three photographers had to learn to please people during photographic assignments and to practice artful photography even at the most inconvenient hours. Most of all, the photographers had to understand each others' likes and dislikes and strong and weak points, in order to work together effectively to produce the high quality of pictures the editors demand.

Thank-You

Susie,  
Good-luck  
next year. you  
are really something  
else. Thank-you  
for liking the  
annual. Well,  
I write dumb  
things in annuals.  
I can't say what  
I mean.

. . . the end

Dear Suzzy,  
This is to  
an adorable junior  
whom I hope will  
go for! Suzzy, you  
have great ability in  
all things you do and  
you do them well! Esp.  
sewing! I hope your  
senior year is filled with  
challenges and opportunities.  
Have a wonderful time next  
year. God bless you, and good luck.  
Linda Z.

Suzzy,  
I think you are  
just the cutest person!  
I've always wanted to  
get to know you better. You  
always seem so friendly whenever  
I see you in the halls. I wish  
you the best of luck in the years  
ahead.

Lots of love,  
Carla

Suzzy,  
We had a lot of fun  
in that truck  
Mother's day, but I  
haven't found that  
still haven't found that  
house an Kings Highway  
Good luck, you probably won't  
need it.
